

THE CCET PHOENIX

NEWS LETTER

SEPT - DEC, 2022

VISION

CCET will be the center of excellence by providing quality technical education inculcating high moral and social values with a human face, thereby providing world class competent engineers for the progress and transformation of society.

MISSION

- ❖ Run accredited Graduate and Post-Graduate programmes.
- ❖ Have state-of-the-art infrastructure facilities.
- ❖ Develop effective partnerships with industries.
- ❖ Transfer appropriate technology to society.
- ❖ Ensure placement of all students through campus interviews.
- ❖ Offer quality teaching and learning environment.
- ❖ Help in the upliftment of society by offering need based technical education facilities.
- ❖ Ensure quality services for all aspects of the campus.
- ❖ Create an ambience for the total development of staff and students.
- ❖ Become a deemed university.

Editorial Desk

Hello Readers!

CCET warmly welcomes you to the third issue of its e-Newsletter 'THE CCET PHOENIX'.

I am happy to inform you that this year CCET has completed 24 glorious years of its establishment and in the coming year '2023', it is entering in its 25th year i.e. Silver Jubilee Year. Various special events and activities have been planned to celebrate this Silver Jubilee Year. Recently a carol singing competition 'Gloria-2022' was organized to mark this special year celebration. Management also decided to give 50 % scholarship to meritorious and minority students on this occasion.

From this issue we have started few new columns such as 'Let us know our Faculty', 'Let us know our Non-teaching Staff' and 'Let us know our Alumni' by which we want to introduce our stakeholders to the outside world. Also we have started another column as 'Creative Corner' where any faculty, alumni or non-teaching staff can share their creative ideas, paintings, articles, poems etc. In future we would like to add on more columns as per the suggestions received to make it more interesting and useful.

We got very good response and positive feedback for the previous two issues. We appreciate your support, active involvement and feedback. We hope going through this newsletter is as enjoyable for you as it is for us bringing it to you.

Happy Reading!!!

EDITORIAL BOARD

Dr. Radheshyam H. Gajghat, Chief Editor

Ms. Richa Sahu, Executive Editor

Mr. Robin Babu, Editor

Mr. Ashish Saini, Student Editor

FROM THE DESK OF *Executive Vice Chairman*

Greetings to all!!!

“Without change there is no innovation, creativity, or incentive for improvement. Those who initiate change will have a better opportunity to manage the change that is inevitable.” William Pollard.

Science and Technology has made human life easy and comfortable. Behind our comfortable life there are tremendous sacrifices of many people. Acknowledging only their contribution will not make any change in our life. We should be inspired by their work and take little initiative for the progress of humanity which will lead to a sustainable growth.

Education plays a vital role in the progress of humanity. 'Man making education' is for the holistic growth of humans and it would help the sustainably developed community. Scientific temperament is the key factor and scientific outlook will lead to innovations. The role of higher education in molding a person to be more productive and useful is significant. Quality of mentors, their dedication will ignite the young minds in a very imperative way. We as a team with utmost dedication imbibing the vision of the founder educationalist are striving our best to create a conducive environment for the holistic growth of every student.

This newsletter will give you a glimpse of the past three months of academic and co-curricular activities inside and outside the CCET campus. I congratulate the editorial team for their meticulous work.

In the coming months, we are planning to have more MoUs with National and International Universities for students and faculty exchange programs. This will definitely enhance the spectrum of collaborative learning. Further, we are planning for National and International conferences with the hope that this will provide more opportunities to our students and faculties to widen their knowledge and exposure.

Let us work together for Nation building.
Jai Hind

FR. DR. P. S. VARGHESE
Executive Vice Chairman,
CCET, Bhilai

FROM THE DESK OF *Principal*

Dear Students and Faculty Members,

CHRISTIAN COLLEGE OF ENGINEERING & TECHNOLOGY is reputed as one of the institutes in the state where students as well as faculty members are given the best platform to perform. It gives me immense pleasure to note that response to this newsletter of our institution 'PHOENIX' has been overwhelming. This News Letter help to showcase the activities that are happening in the Department, as well as in the campus. It also helps in building up team work which is very much needed today in the world of competition. It provides a platform for exposing the merits and academics achievements of the faculty. This enhances the documentation culture of the Department. This News Letter inspires all of us for new beginning enlighten with hope, confidence and faith in each other.

Commendable job has also been done by the Editorial team in planning for and producing the Newsletter. My congratulations to the team who took the responsibility for the arduous task most effectively. I am hopeful that this small piece of technical work shall not only develop the taste for reading among students but also develop a sense belonging to the institution as well.

I express my deep sense of gratitude to Honourable Executive Vice Chairman Rev. Fr. Dr. P.S. Varghese under whose guidance this technical work has been undertaken and completed within the stipulated time. Also my heartfelt congratulations to all staff members and students for their fruitful efforts.

Let us develop a new culture of innovation and hard work with a firm desire and determination for achieving our goals. Let us nurture deep rooted values and faith in God along with an uncompromising search for truth, knowledge and excellence in all our endeavours.

Best wishes for healthy and prosperous New Year 2023.

Dr. (Mrs.) Dipali Soren
Principal,
CCET, Bhilai

WELCOMING NEW CHAIRMAN

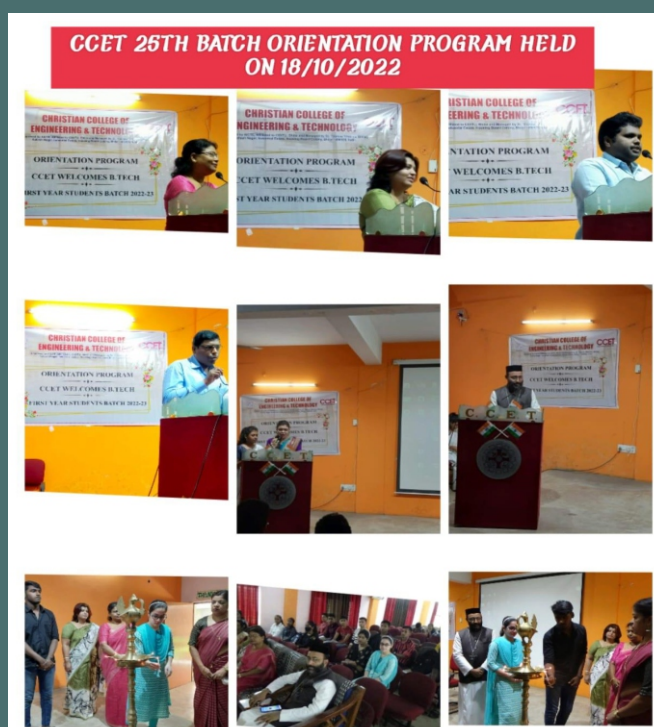

CCET family warmly welcomed the newly appointed Chairman His Grace Alexios Mar Eusebius on 11th November 2022.

Orientation Program for First Year Engineering Students

Christian College of Engineering and Technology, Bhilai organized orientation program for 25th Batch of Engineering Students on 18th October 2022 in presence of Executive Vice Chairman Rev. Fr. Dr. P. S. Varghese, Principal Dr. Mrs. Dipali Soren, all HoDs and teaching staff. First Year In-charge Dr. Preeti Nand Kumar, First Year coordinator welcomed the students and gave a brief overview of the college and first year course curriculum.

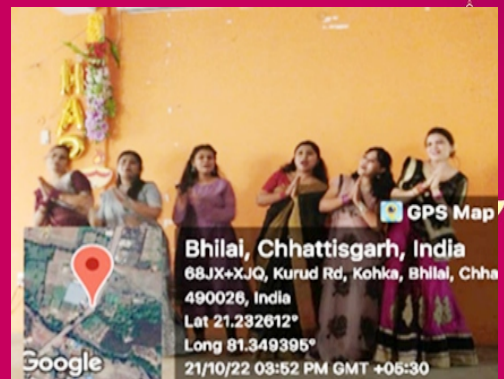

FAREWELL TO REV. FR. PHILIP KURUVILLA

An emotional and grand farewell was given to Rev. Fr. Philip Kuruvilla, Administrative Coordinator on 27th September 2022. Chairman His Grace Dr. Joseph Mar Dionysius greatly appreciated the work done by Rev. Fr. Philip Kuruvilla who took lot of efforts to uplift the position of college in a very short span of time. Executive Vice Chairman Rev. Fr. P.S. Varghese shared his experience with Fr. Philip during his stay at Nagpur Seminary. Principal Dr. Dipali and all HoDs shared their experience with Fr. Philip and appreciate his great leadership quality. CCET family along with Management presented a small token of love to mark this occasion a memorable one.

DIWALI CELEBRATION

A biggest festival of India, Diwali, was celebrated in presence of Executive Vice Chairman Rev. Fr. Dr. P.S. Varghese, Principal Dr. Dipali Soren, all HoDs and staff on 21st October 2022. The function started with lighting the diyas by all the dignitaries followed by performing the dance, singing the song, reciting the poem and playing the entertaining games. This function was organised by Staff Club and coordinated by Ms. Shikha Agrawal.

*CCET wishes Happy
Diwali to all*

Dr Archana Chowdhury appointed as Vice Principal

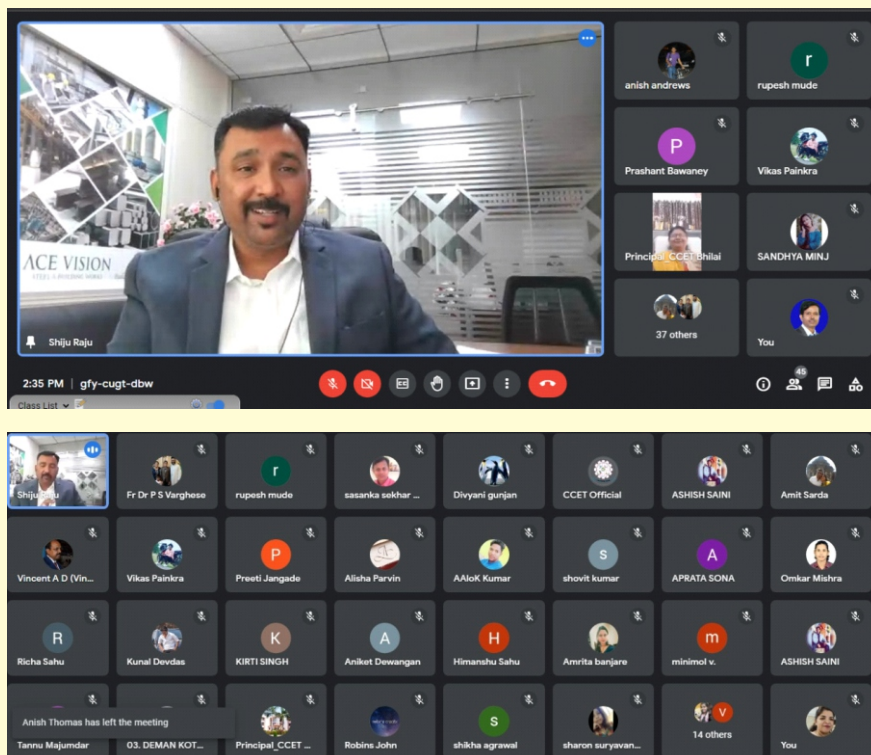

Dr Archana Chowdhury has been appointed as Vice Principal of Christian College of Engineering and Technology, Bhilai in September 2022. The Ex Chairman His Grace Dr Joseph Mar Dionysius, in the presence of Rev Fr Raju Thomas, Executive Vice Chairman Rev Fr Dr P S Varghese, Administrative Coordinator Rev Fr Phillip Kuruvilla, Principal Dr Dipali Soren, handed over the official letter and gave the blessings for her new responsibility in a function at CCET, Bhilai. Dr Archana Chowdhury is an Associate Professor in Computer Science and Engineering Department. She has completed her B.Tech in Computer Science & Engineering, M.Tech and Ph.D in Computer Engineering from Jadavpur University, Kolkata and has more than 20 years of teaching experience. The entire CCET family congratulates her and wishes all the best for her new responsibility.

CCET Alumnus shares his journey of becoming Entrepreneur

Institution' Innovation Council Under Startup Cell in association with R&D Cell of Christian College of Engineering and Technology (CCET) BHILAI, organized a talk on the "Story of an Entrepreneur". Young Entrepreneur Mr. Shiju .P, managing director of ACE VISION METAL AND STEEL WORKS LLC, in Dubai who is an alumnus of Mechanical Engineering Branch of CCET shared his journey of starting his own startup. He emphasized to learn from our mistakes. He gave thrust to make goal clear in life and plan accordingly to achieve success.

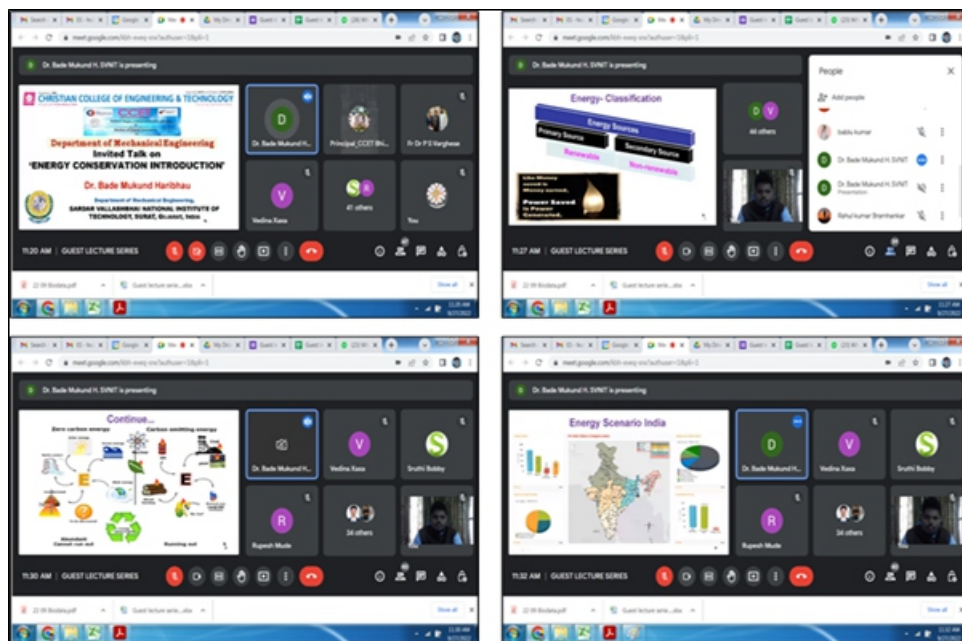

CCET startup cell organised this expert talk with an objective to create awareness, to explore the possible business opportunities and create all necessary awareness to start a new project on his own or with the help of government procedures. Program started with the word of blessings from Fr. Dr. P.S.Varghese, Executive Vice Chairman. Dr Dipali Soren, Principal welcomed the CCET alumnus. The program was anchored by Ms Divyani. IIC Startup Cell Faculty Coordinators Dr. Preeti Nand Kumar and Ms. Richa Sahu along with student coordinator organised the session.

LECTURES SERIES

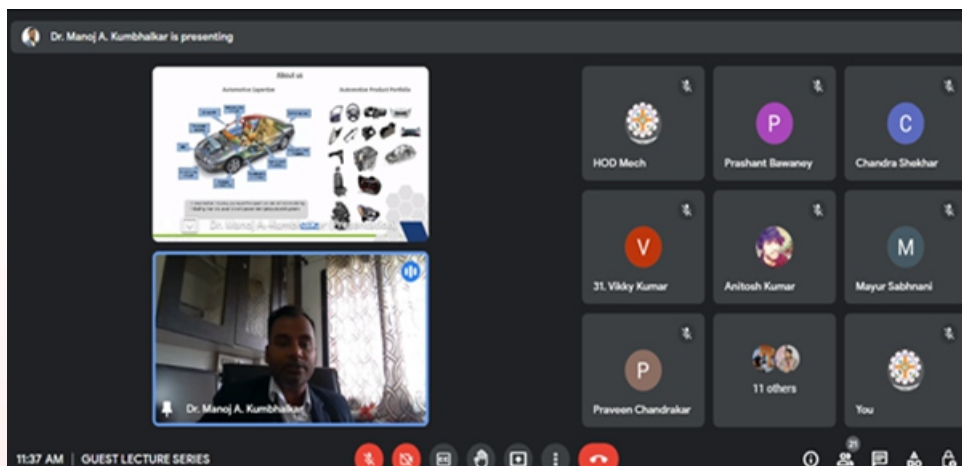

Guest Lecture - I

Mechanical Engineering Department in association with Institution's Innovation Council (MHRD Initiative) organized a Guest Lecture - I under 'Lecture Series' on **Introduction to Energy Conservation and its Industrial Case Studies** on 27th September 2022. Dr. Bade Mukund H, Asst. Professor, SVNIT, Surat conducted the session as an expert speaker. He has given basic information of energy conservation and its applications which are playing a vital role in various sectors such as industrial/commercial and residential applications. Total 52 participants participated in this session. Mr. Chandrashekhar Sahu coordinated the program.

Guest Lecture – II

Mechanical Engineering Department in association with Institution's Innovation Council (MHRD Initiative) organized a Guest Lecture - II under 'Lecture Series' on **Importance of CAD/CAM/CAE in Industries** on 19th October 2022. Dr. Manoj A. Kumbhalkar, Head & Associate Professor, Dept. of Mech. Engg., JSPM Narhe Technical Campus, Pune was the expert speaker. He has given the introduction of CAD/CAM and its applications in industries and research sectors. Total 24 participants participated in this session. The program started with the blessings of Executive Vice Chairman Rev. Fr. Dr. P.S. Varghese. After that, Dr. P.S. Rao, HoD, Mechanical Engineering welcomed the participants and briefed about the emergence of growing power of computers gave rise to a new genre of software called CAD / CAE / CAM.

Guest Lecture - III

Mechanical Engineering Department in association with Institution Innovation Council (MHRD Initiative) organized a Guest Lecture - III under 'Lecture Series' on **Future Energy Materials** on 18th October 2022. Dr. Sheetal Dewangan, PhD (IIT Bombay), Post-Doctoral Researcher, South Korea was the expert speaker. He has given basic information of energy storage materials of wide varieties. The program started with the blessings of Executive Vice Chairman Rev. Fr. Dr. P.S. Varghese. After that, Dr. P.S. Rao, HOD Mechanical Engineering welcomed the participants and briefed about its significance and current trends of energy materials. Total 30 participants participated in this session. Mr. Amit Sarda coordinated the program.

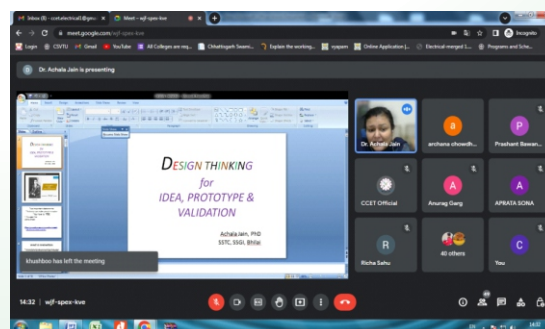

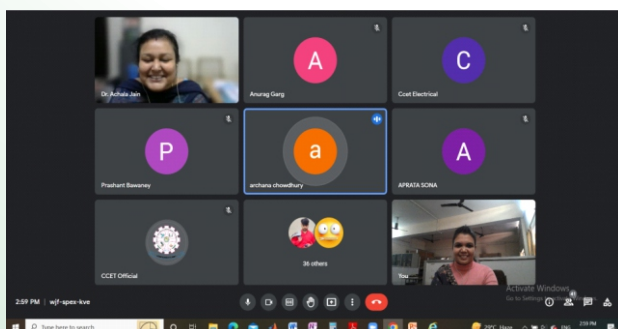

WEBINAR ON ENTREPRENEURSHIP

Computer Science and Engineering Department organized a session on 14th October 2022 to motivate the students for entrepreneurship. The resource person was Mr. Vijay Relwani who is a budding entrepreneur and owner of a company named as Relwani Automotive Private Limited.

Guest Lecture on Entrepreneurship and Innovation as Career Opportunity

Institution's Innovation Council in association with Electrical and Electronics Engineering Department, CCET, Bhilai organized an inspirational talk on "Entrepreneurship and Innovation as Career Opportunity". Dr. Achla Jain, Associate Professor, Electrical and Electronics Engineering Department, SSTC, Bhilai was the expert speaker. She has discussed the 3 I's of entrepreneurship viz. Innovation, Idea and Inventions. She also explained everything with real time examples of how empathizing with someone gives many reasons to create and invent. Mr. Prashant Bawaney and Mr. Abid Khan coordinated the program.

PUBLICATIONS

Mr. Ashish Saini, 5th Semester, CSE, published a paper on '**To be a student in a third world country**' in International Journal of Engineering, Management and Humanities.

- ❖ Ms. Amrita Banjare and Ms. Shikha Agrawal, CSE Department, published a paper '**Comparative study of different neural networks**' in Journal of Science and Engineering Education.
- ❖ Ms Richa Sahu, Mr Ashish Dewangan, Akash Dewangan, Electrical Engineering Department published a paper '**A review paper on power quality improvement of hybrid micro grid using renewable energy sources**' in Journal of Science and Engineering Education.
- ❖ Mr. Prashant Bawaney Shashank Nayak, Electrical Engineering Department published a paper on '**Open loop and closed loop controller for standalone PV system: A review**' in Journal of Science and Engineering Education.

ROVINS AND VEDINA PRESENTED PAPER AT MUSCAT

Rovins Xess and Vedina Xaxa of 7th semester Electrical Department presented the paper on **Artificial Intelligence enhancing the efficiency of renewable energy resources** at 4th national students symposium organized by the University of Technology and Applied Science Muscat, Sultanate of Oman on 11th and 12th October 2022.

Christian College of Engineering and Technology

Bhilai, Chhattisgarh

.....CCET CONGRATULATES.....

Rovins & Vedina
(Electrical Branch, 7th sem)

Mentor Faculties - Richa Sahu, Ashish Dewangan, Akash Dewangan
& Prashant Bawaney

<=For presenting paper in Symposium held at MUSCAT=>

Titled => "Artificial intelligence enhancing the efficiency of renewable energy resources "

4th National Student's Symposium organized by University of Technology and Applied Science, Muscat, Sultanate of Oman on 11th and 12th October.

ALUMNI MEET – 2022

CCET Alumni Cell organized a grand Alumni meet on 29th October 2022 at college campus. The event was witnessed by many Alumni. Principal Dr. Dipali Soren welcomed the alumni. Executive Vice Chairman Rev. Fr. Dr. P.S. Varghese addressed the gathering. Mr. Kashish Shukla, President, briefed about the activities of CCET alumni association and felicitation address was delivered by Mr. Mushtaq Alam, Secretary. The program was adorned by cultural presentations of present students. Few Alumni shared their old memories with the audience.

A business session was conducted where current batch students interacted with the alumni and received valuable advices. It was also decided to create meritorious award for toppers and scholarships for financially weaker students from the next academic year. The overall program was coordinated and conducted under the supervision of Staff Alumni Coordinators Ms. Lincy Mendonza and Ms. Richa Sahu.

CCET LIBRARY WING RENAMED AS REV. FR. DR. ABRAHAM OOMMEN MEMORIAL LIBRARY

CCET library wing has been dedicated to the First Executive Vice Chairman Late Fr. Dr. Abraham Oommen on 27th September 2022. In commemoration of Late Fr. Dr. Abraham Oommen the library wing has been named as “Rev. Fr. Dr. Abraham Oommen Memorial Library” by H.G. Dr. Joseph Mar Dionysius to make his presence around forever in the heart of CCET Family.

8TH MGM FEST - 2022 ORGANIZED AT CCET & ST. THOMAS

The eighth Inter School MGM Fest 2022 jointly hosted by Christian College of Engineering and Technology, Mar Baselios Vidya Bhawan and St Thomas College, Kailash Nagar organized by The Diocesan Mission Education Board, Bhilai of MGM Group of Institutions was inaugurated in CCET campus on 14th November 2022. The theme of the fest was **Azadi ka Amrit Mahotsav**. Chief Guest was Mr. Thomas Chacko, DIG Sashatra Seema Bal, Bhilai. The program was chaired by V. Rev. Thomas Ramban, Vice President, St. Thomas Mission, Bhilai. Around 2000 students, 150 teachers from 26 institutions of MGM Group from Chhattisgarh, Madhya Pradesh, Bihar, Jharkhand, Nagaland, and Orissa participated in the fest. Competition was conducted in 35 cultural and 34 sports events spread over 2 days. The Valedictory function was chaired by His Grace Alexios Mar Eusebius, Metropolitan of Kolkata Diocese, St Thomas Mission, Bhilai.

PROJECT EXHIBITION BY CCET DURING MGM FEST

All departments including Mechanical, Electrical, Computer Science & Engineering, Electronics & Telecommunication Engineering and Applied Physics & Chemistry organised an exhibition of their projects, advanced equipments and working models during MGM Fest.

ENGINEER'S DAY CELEBRATION

Engineer's Day was celebrated on 15th September 2022. Second issue (June – August 2022) of Newsletter 'The CCET Phoenix' was released and winners of poster competition were felicitated on this occasion.

TEACHERS' DAY CELEBRATION

Teachers' Day was celebrated on 5th September 2022 in presence of Administrative Coordinator Rev. Fr. Philip Kuruvilla, Principal Dr. Dipali Soren and all the staff to acknowledge the contribution of teachers in the society. During the function CCET faculty expressed their feelings by singing the songs, performing the dance and reciting the poem. Exhibition Football match was played between the staff and students. The program was organized by Staff Club and coordinated by Ms. Shikha Agarwal.

REOPENING OF CANTEEN

CCET canteen has been reopened on 1st September 2022 in presence of Executive Vice Chairman Rev. Fr. Kurian John, Administrative Coordinator Rev. Fr. Philip Kuruvilla, Bursar Rev. Fr. Ajju K. Varghese, CCET Principal Dr. Dipali Soren, STC Principal Dr. Mariam Jacob and MBVB Principal Mr. B.V.K. Reddy and all the staff of CCET, STC and MBVB.

SPORTS

INTER-COLLEGE TOURNAMENTS

CCET teams have participated in various Inter-College tournaments such as Football, Volleyball, Chess, Basketball, Table Tennis, and Athletics organised by CSVTU, Bhilai in the month of October and November 2022. Our teams have performed very well in these matches.

Ms. Arima Toppo selected in CSVTU Basketball Team

One of our student of 7th Sem CSE Department, **Ms. Arima Toppo** has been selected to represent Chhattisgarh Swami Vivekananda Technical University (CSVTU) Team in the Inter University Basketball Tournament to be held in Meghalaya.

CAMPUS PLACEMENT

MSP Steel & Power Ltd, Raigarh, CG visited CCET on 13th October 2022 for campus recruitment drive. Shivdutt from Mechanical Engineering was selected for the post Graduate Engineer Trainee. The Executive Vice Chairman Rev. Fr. Dr. P.S. Varghese, Principal Dr. Dipali Soren, Vice Principal Dr. Archana Choudhury, T & P Coordinator Dr. R.H. Gajghat, Mechanical HoD Dr. P.S. Rao and the College Management Committee congratulated and wished him well for his bright future.

LET US KNOW OUR FACULTY

Name: Dr. Radheshyam H. Gajghat

Qualification (Passing Year): BE (1994), MTech (2003), DBM (2003), PhD (2019)

Specialization: Production Engineering

Email ID: radhegaj@gmail.com

Post: Professor

Department: Mechanical Engineering

Working at CCET from: 1st August 2015

Total Experience: 28 Years

Area of Research: Optimization of Manufacturing Processes, Mathematical Model Formulation, Performance Analysis, Composites, Artificial Neural Network

Subjects Taught: Engineering Graphics, Manufacturing Processes, Production Management, Industrial Engineering, Operation Research, Automation in Manufacturing, Computer Aided Manufacturing, Product Design & Development etc.

No. of Publications (National & International Journals): 14

Awards & Achievements: Obtained All India Rank 76 in GATE-2001, Editor in Chief, Journal of Production and Industrial Engineering, Organized 3 International Conferences, 2 ATAL FDPs, 1 AICTE Sponsored STTP and many more Workshops, Seminars and Webinars, Attended more than 40 Workshops, Seminars and Webinars, Established IE(I) Students' Chapter.

Responsibilities Performed (Present/Previous): Digital Valuation Centre Superintendent, T & P Coordinator, Innovation Activity (IIC) Coordinator, Institute Discipline Committee Coordinator, NDLI Club Executive Member, Departmental Academic Coordinator, Head of Department, Management Representative of ISO Certification Committee etc

Interest & Hobbies: Playing Cricket, Composing Poems, Social Service, Spiritual Conversation, Yoga & Pranayam

Anything wants to mention: Contributed as a Primary Evaluator in Toycathon 2021 and Subject Expert in AICTE SLA Project – PARAKH

LET US KNOW OUR NONTeaching STAFF

Name: SAJJOO

Qualification (Passing Year): Diploma in Mechanical Engineering (1997)

Email ID: sajjoolisha@gmail.com

Post: Assistant Demonstrator

Department: Mechanical Engineering

Working at CCET from: 01/03/2000

Total Experience: 22 Years

Responsibilities Performed (Present/Previous): Operation and Maintenance of Mechanical Engineering Labs & Look after Admission Process

Interest & Hobbies: Cricket

LET US KNOW OUR ALUMNI

Name: Ravi Dewangan

Pass out Year: 2005

Branch: Electrical Engineering

Qualification (Passing Year): BE (2005), MTech (Power System) (2009)

Working as: Digital Marketing – SEO Expert **At:** Reverie Language Technologies Ltd, A part of Reliance Jio Group

Contact No.: 8792504252 **Email ID:** ravidewangan1301@gmail.com

Awards & Achievements:

1. Worked in TATA Group for 5 years.
2. Carom Champion for 4 consecutive years in TATA Group Tournaments.
3. Badminton Champion once & Runner-up Twice in TATA Group Tournaments.
4. Health & Fitness Coach with Specialization in Weight Loss; Have helped more than 100+ people to lose up to 25 kg body fat.
5. Have a collection of more than 500+ books; Including subjects such as Entrepreneurship, Interview Skills, Personal Development, People Skills, Interpersonal Skills, Presentation Skills, Leadership, Relationships, Health & Fitness, Self-Image, Convincing & Persuasion, Power of Mind, Autobiographies, History, Dream Building, Vision Casting, Business, Money, etc.

Interests & Hobbies: Book Reading, Personal Development Mentoring, Career Guiding & Counseling, Health & Fitness Coaching, Webinars, Seminars & Presentations, Badminton, Carom, Cricket

Anything wants to share/contribute to the institute:

I'd be delighted to help the students & faculty through webinars/presentations on various topics (as mentioned above). Please let me know. I am already doing it for many institutes, colleges, universities, companies & individuals. I'd be glad to add any value to CCET, if & whenever given an opportunity.

Name: JUBIN SAM

Pass out Year: 2011 **Branch:** Electronics & Telecommunication Engg.

Qualification (Passing Year): BE (2011)

Working as: Surveillance Assistant **At:** Narcotics Control Bureau (NCB)

Contact No.: 8800572131 **Email ID:** jubinsam22@gmail.com

Awards & Achievements: Was awarded 02 times- Director General (DG) Commendation Roll and Disc for exceptional operations work issued by Sh. Abhay IPS, Director General, Narcotics Control Bureau (NCB), Government of India in 2018 and by Sh. S.N. Pradhan IPS, Director General, Narcotics Control Bureau (NCB), Government of India in 2021. Among other achievement/appreciation awards issued by distinguished officers of Government of India.

Interest & Hobbies: Image editing

Anything you want to share/contribute for the institute: Our organization has a Zonal Unit in Indore, so I can liaise with our Indore unit to provide awareness class/session about the ill effects of drug abuse & its bad effects on our society and personal health. Furthermore the students of the institute can act as our eyes and ears to report any act of drug trafficking or abuse so that the appropriate agency could be informed/alerted.

Creative Corner

आजादी का अमृत काल

पायी है आजादी हमन बहुत कड़ सघपा क बाद ।
आत्मबलिदानी शूर-वीरों के त्याग और तपस्या के साथ ॥
यूं ही नहीं मिली आजादी हमें थाली में परोसकर ।
भारत मां को आजाद किया वीर सपुतों ने प्राण त्यागकर ॥
इस आजादी को अक्षुण्ण हमें रखना होगा ।
इस मिट्टी का कर्ज हमें जरूर चुकाना होगा ।
पंडयंत्रकारी ताकतों से हमें इसे बचाना है ।
एकता और अखंडता का दीप सदा जलाना है ॥
आजादी पाने के बाद भी खत्म नहीं हुई संघर्षों की यह दास्तान ।
शत्रुओं के आक्रमणों से भारत माता हुई अनेको बार लहलुहान ॥
अपनों ने भी गहरे जख्म दिये कई-कई बार ।
जात, पात और धर्म के नाम पर हुआ भयंकर नरसंहार ॥
भ्रष्टाचार की बलिवेदी पर हुई हत्या लोकतंत्र की ।
व्यथित हुई भारत माता देख दुर्गती अपनों की ॥
अनेको कठिनाइयों के बावजूद नहीं खोया हमने आत्मसम्मान ।
डंके की चोट पर हमने दुनिया में पाया श्रेष्ठ स्थान ॥
अपनी लगन और मेहनत से सारी दुनिया में है नाम कमाया ।

वक्त पड़ने पर दुश्मन को कड़ा सबक है सिखाया ॥
हमने हर क्षेत्र में गाड़ा है झंडा कामयाबी का ।
सारी दुनिया में बजने लगा है डंका हमारी होशियारी का ॥
कोई भी क्षेत्र नहीं रहा अछूता हमारी तरक्की के दायरे से ।
आत्मनिर्भरता के सहारे बनेंगे सिरमौर दुनिया के ॥
अंतरिक्ष में हमारे सामर्थ का माना है लोहा सबने ।
आकाश, जल और जमीन पर पाया है प्रभुत्व हमने ॥
'वसुधैव कुटुम्बकम्' का संदेश हमने विश्व को है दिया ।
प्राचीन ज्ञान के बल पर भारत 'जगत गुरु' है कहलाया ॥
21 वे सदी के उभरते भारत की तस्वीर है यह प्यारी ।
आजादी के अमृत काल की छटा है सबसे निराली ॥

डॉ. राधेश्याम हेमराज गजघाट, प्रोफेसर, मैकेनिकल इंजीनियरिंग विभाग

इंजीनियरिंग के 4 साल

आप सब है यहाँ आपको कुछ बोलना चाहता हूँ,
इंजीनियरिंग होती है कैसे आपको समझाना चाहता हूँ,
कैसे बीतते है ये चार साल,
इसकी एक छोटी सी झलक दिखाना चाहता हूँ॥

शुरू होता है पहला साल नए दोस्तों के साथ नए उमंगों को लिए,
जल उठते है दिए खुशियों को लिए,
बहुत उम्मीदे है माता पिता की मुझसे, जज्बात मन में लिए,
शुरू करते है पहली क्लास पढ़ने के लिए॥

एक सेमेस्टर में 5 Subject होते है,
हर Subject में Unit भी होते है 5,
बोलोगे, अभी Syllabus देखा है,
कर लेंगे, कौन सी इसमें बड़ी है बात॥

अब शुरू होती है पढ़ाई,
सब Subject की अपनी भाषा होती है, बात समझ में आई,
Assignment होते है Daily Test होते है, होते है Class Test भी,
बस इतनी है इंजीनियरिंग की लड़ाई॥

First, Second और Third Year बीत जाता है,
Fourth Year में बहुत कुछ ध्यान आता है,
अब चिंता होती है Percentage की, Career भी तो बनाना है,
खायी थी कसम पढ़ने की, अब याद आता है॥

मैं तुम्हे पढ़ने की कला सिखाता हूँ,
रहे जिंदगी भर साथ, वो राज़ बताता हूँ,
ना रटना है ना घोंटना है ना कॉपी भरते जाना है,
बस Logics को समझो, नयी नयी Techniques लगाते जाना है॥

इंजीनियरिंग की अपनी Beauty होती है,
सब को All Rounder बना ही देती है,
चाहे Field हो Management का Business का Marketing का या Medical
का,

आपको उसका भी Expert बना ही देती है ॥
अंत में बस इतना ही

मुश्किलें कभी भी कम नहीं होती,
जिंदगी की परीक्षा कभी खतम नहीं होती,
पर, मूर्ति को आकर लेना हो तो पत्थर को मार सहना पड़ता है,
और हिरे को अगर चमकना हो तो उसे भी घिसते रहना पड़ता है॥

प्रशांत बावने, सहायक प्राध्यापक, इलेक्ट्रिकल इंजीनियरिंग विभाग

सीसीईटी ने राष्ट्रीय ऊर्जा संरक्षण दिवस मनाया

क्रिश्चियन कॉलेज ऑफ इंजीनियरिंग एंड टेक्नोलॉजी (सीसीईटी), भिलाई ने छत्तीसगढ़ स्वामी विवेकानंद टेक्नोलॉजिकल इंस्टीट्यूट कॉलेज और क्रेडा रायपुर के सहयोग से 14 दिसंबर 2022 को राष्ट्रीय ऊर्जा संरक्षण दिवस मनाया गया। इस अवसर पर विशेषज्ञ व्याख्यान, पोस्टर मेकिंग प्रतियोगिता और निबंध प्रतियोगिता का आयोजन किया गया। इस आयोजन का विषय ऊर्जा संरक्षण और सतत विकास था। इस आयोजन ने अक्षय ऊर्जा और पर्यावरण संरक्षण के मूल्य पर छात्रों को समझने और शिक्षित करने और उन्हें ऊर्जा स्रोतों के संरक्षण और भविष्य के लिए संरक्षित करने के लिए उपयोगी सलाह और समाधान देने में मदद की।

कार्यक्रम की शुरुआत सीसीईटी की वाइस प्रिंसिपल डॉ अर्चना चौधरी द्वारा दीप प्रज्वलन और सत्र के अतिथि के स्वागत के साथ हुई। उन्होंने जोर देकर कहा कि आज की दुनिया में ऊर्जा न केवल भविष्य में है बल्कि यह वर्तमान में सब कुछ चलाती है। डॉ. आर.पी. देवांगन, पूर्व डीजीएम, (सेवानिवृत्त), टाउन सर्विसेज, बीएसपी, चेयरमैन वाटर सेल, सीएसवीटीयू भिलाई द्वारा ऊर्जा संरक्षण और सतत विकास पर विशेषज्ञ व्याख्यान दिया गया। अध्यक्ष ने सतत विकास के महत्व के बारे में विस्तार से बताया कि कैसे विकास को भविष्य की पीढ़ी की जरूरतों से समझौता किए बिना वर्तमान की जरूरतों को पूरा करना चाहिए। उन्होंने ऊर्जा संरक्षण के तरीके पर जोर दिया गया तथा अन्य उपयोगी तरीके जैसे उपयोग में न होने पर लाइट बंद करना, एलईडी लाइट का उपयोग करना, बिजली के उपकरणों को बंद करना, पानी की खपत को कम करना, सौर ऊर्जा से चलने वाले उपकरणों का उपयोग करना, उपयोग में नहीं होने पर उपकरणों को अनप्लग करना आदि के बारे में विस्तार से बताया। वर्षा जल संचयन पर मुख्य फोकस के साथ जल संरक्षण तकनीक पर भी चर्चा की गई। सत्र में अच्छी संख्या में स्टाफ और छात्रों ने भाग लिया।

राष्ट्रीय ऊर्जा संरक्षण दिवस के उपलक्ष्य में पोस्टर मेकिंग प्रतियोगिता और निबंध प्रतियोगिता का भी आयोजन किया गया। समापन कार्यक्रम में दोनों आयोजनों के विजेताओं के लिए सौर संबंधित वस्तुओं और प्रमाण पत्र के रूप में पुरस्कार वितरित किए गए। कार्यक्रम समन्वयक डॉ. प्रीति नंद कुमार ने इस आयोजन के लिए निर्णायकों को स्मृति चिन्ह भेंट किए और संकायों और छात्रों को धन्यवाद दिया। सभी सेमेस्टर के छात्रों ने कार्यक्रमों में सक्रिय रूप से भाग लिया और प्रमाण पत्र के साथ उपहार पाकर वे बहुत खुश हुए।

CCET celebrates National Energy Conservation Day

Christian College of Engineering and Technology (CCET), Bhilai in collaboration with Chhattisgarh Swami Vivekananda Technological Institute College and CREDA Raipur celebrated the National Energy Conservation Day on 14th Dec 2022. Events conducted include Expert Lecture, Poster Making Competition and Essay competition. Theme for the event was Energy Conservation and sustainable development. This event helped to understand and educate students on the value of renewable energy and environmental protection and to give them useful advice and solutions for the conservation of energy sources and to preserve for future.

The program started with lamp lighting and welcome of the guest for the session by Dr Archana Choudhary, Vice Principal CCET. She emphasised that In today's world energy is not only in the future but it drives everything in the present. Expert Lecture on Energy Conservation and sustainable development was delivered by Dr. R.P. Dewangan, Ex.DGM, (Retd), Town Services, BSP, Chairman Water Cell, CSVTU Bhilai. Speaker elaborated the importance of Sustainable development, how the development should meet the needs of the present without compromising the future generation's needs. Good number of Staff and students attended the session

The way to conserve energy was given thrust in his lecture. The useful ways such as to turn off light when not in use, Use LED lights switch off the electrical appliances, reduce water consumption, use solar powered devices, to unplug the devices when not in use was explained in detail. Water conservation technique was also discussed with main focus on Rain water harvesting was discussed.

Poster Making Competition and Essay competition was also conducted to mark the celebration of the National Energy Conservation Day. New edition of **CCET JOURNAL OF SCIENCE AND ENGINEERING EDUCATION** released on today at a program held at the College Auditorium by Chairman CCET Bishop H.G Alexios Mar Eusebius. Program started with lighting of traditional lamp followed by the welcome speech by Principal Dr. Mrs. Dipali Soren. College Executive Vice Chairman Rev. Fr. Dr. P.S. Varghese emphasized the need for research and development. Editorial board comprised of Editor Dr Dipali Soren and Associate Editor Dr. Preeti Nand Kumar and Co-editors includes the HOD's of all departments.

CCET JOURNAL OF SCIENCE AND ENGINEERING EDUCATION is an annual open access online and print journal that publishes original research papers, review articles and case studies in the field of engineering, science and technology encompassing new research and development for various applications. The journal aims to enhance the outlook towards research, provide a platform for innovators and researchers to bring out their contributions in the form of research papers, case studies, and review articles in the fields of engineering, science and technology. Journal facilitates the global exchange and review of research ideas and expertise among individuals in the scientific community.

सीसीईटी जर्नल ऑफ साइंस एंड इंजीनियरिंग एजुकेशन का विमोचन

सीसीईटी जर्नल ऑफ साइंस एंड इंजीनियरिंग एजुकेशन के नये संस्करण का विमोचन आज कॉलेज ऑडिटोरियम में अध्यक्ष सीसीईटी बिशप एचजी एलेक्सियोस मार यूसेबियस द्वारा आयोजित एक कार्यक्रम में किया गया। कार्यक्रम की शुरुआत पारम्परिक दीप प्रज्वलन से हुई तत्पश्चात प्राचार्य डॉ. श्रीमती दीपाली सोरेन के स्वागत भाषण द्वारा उपस्थित अतिथियों का स्वागत किया। कॉलेज के कार्यकारी उपाध्यक्ष रेव फादर डॉ. पी.एस. वर्गीस ने अनुसंधान और विकास की आवश्यकता पर बल दिया। संपादकीय बोर्ड में संपादक डॉ दीपाली सोरेन और सहयोगी संपादक डॉ प्रीती नंद कुमार और सह-संपादकों में सभी विभागों के एचओडी शामिल हैं।

सीसीईटी जर्नल ऑफ साइंस एंड इंजीनियरिंग एजुकेशन एक वार्षिक ओपन एक्सेस ऑनलाइन और प्रिंट जर्नल है जो विभिन्न अनुप्रयोगों के लिए नए शोध और विकास को शामिल करते हुए इंजीनियरिंग, विज्ञान और प्रौद्योगिकी के क्षेत्र में मूल शोध पत्र, समीक्षा लेख और केस स्टडी प्रकाशित करता है। पत्रिका का उद्देश्य अनुसंधान के प्रति दृष्टिकोण को बढ़ाना है, नवप्रवर्तकों और शोधकर्ताओं को शोध पत्र, केस स्टडी के रूप में उनके योगदान को सामने लाने के लिए एक मंच प्रदान करना और इंजीनियरिंग, विज्ञान और प्रौद्योगिकी के क्षेत्र में लेखों की समीक्षा करना है। जर्नल वैज्ञानिक समुदाय में व्यक्तियों के बीच अनुसंधान विचारों और विशेषज्ञता के वैश्विक आदान-प्रदान और समीक्षा की सुविधा प्रदान करता है।

Seminar Conducted at CCET on Implementation of Sexual Harassment of Women at Workplace Act - 2013

Christian College of Engineering and Technology (CCET), Bhilai in collaboration with St. Thomas College, Kailash Nagar organised a seminar on Implementation of Sexual Harassment of Women at Workplace Act - 2013 on 5th December, 2022. This seminar was inaugurated by His Grace Alexios Mar Eusebius, Chairman of CCET. Mr. Ashok Jaiswal, Advocate Judicial, Mediator and Family Court Counsellor, Durg, Ms. Preeti Bala Sharma, District Protection Officer and Ms. Smriti Ekka, Advocate, Durg were the resource persons for the seminar. The program commenced with the lighting of lamp by the dignitaries and Dr. Dipali Soren, Principal, CCET, welcomed all the dignitaries and participants and emphasised that every women should be aware of their rights.

In the presidential address His grace Alexios Mar Eusebius drew attention towards gender equality and empowering woman. He gave the example from the Holy Bible and said that just like St. Joseph protected the dignity of Mother Mary, everyone should respect the dignity of their fellow being. Felicitation address was delivered by Rev. Fr. Dr. P.S Varghese, the Executive Vice Chairman. He advised students to take benefit from today's session as this may help them to deal with difficult situations in their life. Mr. Ashok Jaiswal, the chief resource person, enlightened the participants and explained different women protection laws such as Protection of Women from Domestic Violence Act – 2005, Sexual Harassment of Women at Workplace Act - 2013 Act etc. At the same time advocate Smriti Ekka briefed about several forms of Violence such as Verbal, Physical, Mental, Emotional and Economical. Mrs. Preeti Bala Sharma guided about one stop centre 'Sakhi' where they can seek help to deal in situations where they don't know. Dr. Mariyam Jacob, Principal, St.Thomas College, Kailas Nagar, proposed the vote of thanks. She showed her utmost gratitude towards the guest speakers and also appreciated the faculties and students for their active participation.

Condolences

Mr. K.M. ROY, Ex Trustee, passed away on 4th September 2022. The whole CCET Family paid tribute to the noble soul and extended their heartfelt condolences to the bereaved family.

PRAYERFUL HOMAGE

ance of diwali. Dr SS Bischoy, Asst. Professor entertained everyone with his joyful songs. The presidential address was given by Executive Vice-Chairman, Rev. Fr. Dr. P. S. Varghese who highlighted,

the wall. But we must see the light from which the shadows emanate".

"The festival of lights is the mark of 'The Victory of good over evil, light over darkness and the return of Shri Ram to Ayodhya after exile of 14 years', to highlight this summary of Ramayana was recited by Divyani, Asst. Prof. Computer Science, and she presented a solo dance to make the occasion even more joyful. Diwali is the festival of happiness and joy, to mark this celebration more meaningful students and faculty members presented cultural activities and group games. The program ended with light

CCET conducts orientation programme for first year engineering students

Bhilai, Oct 18:

Christian College of Engineering and Technology (CCET), welcomed the 25th Batch of Engineering Graduates to the College Campus on Tuesday. This Orientation programme was conducted with an objective to introduce newly admitted students to the campus and help them to get familiarize with the new environment. It also aimed for the newly admitted students to create awareness about engineering education and their chosen fields.

Dipali Soren, who motivated students by highlighting the unique features of the college, welcomed the students.

work hard to fulfil their dreams. One has to follow their dream to be a successful person who would be able to contribute back to the society with their capabilities. All the departmental HODs gave the outlook and briefed the related fields of their branches. First Year in charge Dr. Preeti Nand Kumar welcomed the students, gave an overview of whole college, its history and briefs of 1st year course curriculum.

St Thomas Mission Society to sponsor 25 Naga Christian students

DIMAPUR, OCTOBER 10 (ExN):

Hi Grace Dr Joseph Mar Dionysius, Archbishop of Calcutta Diocese under the Malankara Orthodox Syrian Church will undertake 'Apostolic Visit' to Nagaland from October 9 to 9. During the visit, Dr Joseph will preside over the second graduation day programme of MGM College, Dimapur. Mohammed Ali Shihab IAS, Secretary Department of Power, Government of Nagaland will be the chief guest.

A press release from the MGM College stated that Dr Joseph is the President of St Thomas Mission Society Dimapur. "As per His Grace's decision, the society would sponsor 25 Naga Christian students to pursue Engineering (B.Tech and

M.Tech) at Christian College of Engineering and Technology (CCET) Bhilai, Chhattisgarh for the current session," it stated.

For further information, aspirants may contact Fr Dr PS Varghese, Principal, MGM College or interested students along with their parents can also meet Dr Joseph Mar Dionysius on October 8 and 9 at MGM College.

Christian College of Engineering and Technology (CCET) is approved by All India Council for Technical Education (AICTE) and affiliated to Chhattisgarh Swami Vivekanand Technical University (CSVU) Bhilai.

Students can register their names at MGM College, a sister institution of CCET, Bhilai.

Rev Father Philip Kuruvilla along with others pose for a group photo at the farewell function.

Varghese quoted Warren Bennis to felicitate Fr Philip on this occasion.

Within a short span of 8 months Fr Philip rejuvenated the entire campus with his holistic approach to education.

He wished him all success in the future endeavours. Rev Fr Philip Kuruvilla said that he do not want to concise his feelings into words but said that all will have a special place in his heart.

Budding Entrepreneur Vijay Relwani shares his motivational story

Central Chronicle News

Bhilai, Oct 16: Innovation Council of Christian College of Engineering Technology, Bhilai in association with the Computer Science & Engineering Department, conducted a session with a rising entrepreneur Vijay Relwani. Executive Vice Chairman Father Dr PS Varghese and Principal Dr Dipali Soren also spoke about the importance of innovation and entrepreneurship in the current scenario. Dr Archana Chowdhury, Head of the Department of Computer Science & Engineering Department stated about the Government of India,

Ministry of Education's, Innovation cell's initiative to build a culture of innovation across all education institutes. In this event, CCET's final year student Vijay Relwani motivated everyone with his inspirational story. He started from zero but now he is the owner of Relwani automobiles. During Covid his family's economic condi-

tion became worse so he started working in an E rickshaw manufacturing company. The owner was very surprised to see that he had repaired the controller of the E-rickshaw. From there he got an idea of creating a bike. He has participated in the well-known show Shark Tank season 1 and has received standing ovations from the

judges for his idea. He started creating a bike prototype but he had to face many difficulties due to financial problems, but he faced it with intelligence like he asked one sculptor to make the body of the bike and also he used many parts from scrap shops. He had also participated in Smart India Hackathon organized at GITAM University and was among the top 100 finalists. He has started incubation at Raipur which is approved by the Government of India. He also gave guidance on how to participate in shark tank and also invited students to be a part of his new initiative.
