Dear Sir:

Sub: Subscription charges to periodicals for the year 2018
Ref: Proforma Invoice No.PF-87,231-M dated December 12, 2017 for Rs.2,726.00

It is our pleasure to enclose herewith our Renewal Proforma Invoice No.PF-87,231-M dated December 12, 2017 for Rs.2,726.00 towards the subscription charges to periodical viz: INDIAN FOUNDRY JOURNAL for the year 2018. We request you to send us your payment at the earliest, so that we can go ahead with the renewal subscription formalities.

Kindly note that there will be initial delay in supply commencement. Indian publishers take 8 to 10 weeks time to start the first issue, whereas foreign journals will reach in 10 to 12 weeks time. Please report to us for non-receipt of journals within 60 days for Indian journals and within 90 days for foreign journals. All the Indian journals will be sent to you directly by all the respective publishers. Hence, your statement of non-supplied/delayed journals (if any) at regular intervals would help us to serve to your satisfaction. As regards to foreign journals we will procure from the publishers directly to our address and supply to you by Regd/Speed post.

Kindly, note that enrollment and supply of journal copies purely depends on the publishers subscription policies. Many publishers have varying enrollment policies viz., (1) following calendar year i.e. January to December, (2) enrolling from the current available issue; (3) enroll subscription from the date of receipt of the payment and (4) volume-wise enrollment. In view of the same, we will try our best to supply the copies as per calendar year. As we do not have any control in this regard, we seek your co-operation.

Thank you,

Very truly yours,

Radhakrishnan T N

Pay Rs 2,10,500/-
- 12/05/19

As we know the price of e-journals was very high. but now they have decrease their price 50% off. So. if we have some financial position then we can purchase Springer 3 Subject Collection which will cover over all 4 branches so we can fulfill the NBA criteria also. I am attaching the leaflet of Springer.

DELNET/Mem/Best Practices/2023

January 5, 2023

**Sub : DELNET Best Practices for Data Sharing and Accessibility among Member-Libraries
— Request to Contribute Library Records for DELNET Discovery Portal**

Dear Sir/Madam,

I take pleasure in informing you that DELNET has recently launched an initiative "DELNET Best Practices for Data Sharing and Accessibility" among the member-libraries. It will significantly contribute in enhancing information sharing and accessibility of library resources among the users of the member-institutions and would further promote the contributions of libraries for making a Digital India. Data Sharing is one of the most important ways to promote equitable access to information by the students, faculty, researchers and scholarly community. It also leads to an extensive and optimum use of library resources for the benefit of users for their academic, research and reference purposes.

We are very much thankful and appreciative of your institutions being one of our esteemed member institution. I would like to request you kindly send us the records created in machine readable form in your Library for merging into the DELNET Discovery portal which is accessible 24/7 by member institutions. You will appreciate that the level of resource sharing can enhance only if the records of all libraries are merged regularly from time to time. I request you to kindly send us: 1. Database of Books, 2. List of Current Journals, 3. List of CD's Audio/Video, 4. List of Online Databases, 5. Any other Database which has been compiled. Please mention the details in the enclosed form. We request you to kindly send us your library records now and also quarterly updates (incremental backups).

I would like to reiterate the fact that by sharing your library records with DELNET, your institutional library will derive the following benefits:-

1. Your Library resources will become accessible to users and researchers worldwide among the member-libraries of DELNET. Your institutional library will get more visibility and recognition and it will empower your library.
2. Your own users can access your library records through the Web apart from accessing more than 3.5 crore records of other member-libraries. This is beneficial as it enables the users to browse through their own library resources present in DELNET Discovery Portal as the data of each library is assigned a specific location code.
3. A backup copy of contributed records of your library becomes available with DELNET. In case of any crisis like software failure, at your end the backup copy of records can always be taken by your Institution from DELNET.
4. DELNET will be glad to provide "Certificate of Appreciation" for promoting "DELNET Best Practices - Data Sharing and Accessibility" to Member-Libraries for their contributions from time to time. Also Annual Awards will be given to the Best Data Contributing Member-Libraries for their active participation in knowledge sharing activities.
5. The accreditation bodies like NAAC also recommends the Institutions to adopt Best Practices in their Institutions. By participating in this initiative, the libraries will help their Institutions in achieving the desired outcomes in teaching, learning, research activities, etc. by providing access to vast information resources. It will immensely contribute in fulfilling the needs and requirements of the Users' Community.

Please send us your library records (in excel or MARC format) to sangskaul2003@yahoo.co.in. Please mark a Cc to sksinha@delnet.in and khushal@delnet.in For any technical assistance for data sharing, please contact Mr. Sanjeev Kumar Sinha, Associate Technical Services, Mob: 9810533743 and Mr. Khushal Giri Goswami, Network Assistant, Mob: 9717734478.

I shall be most grateful to you for your kind cooperation.

Thanking you,

Yours faithfully,

Sangeeta Kaul
