IEI Engineering Education Excellence Award 2023

Sir/Madam,

The Institution of Engineers (India) [IEI], as the largest multidisciplinary professional engineers' institution, has been playing a leading role in the nation's march, through promotion and advancement of the science, practice and business of Engineering with a multitude of activities. IEI is thankful to you for your long term contribution as an **Institutional Member of IEI** which facilitate to serving engineering fraternity towards nation building.

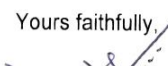

Realizing that the contribution of leading Engineering Educational Institutions should be socially recognized and highlighted, IEI instituted the **Engineering Education Excellence Award 2023** to be held in December 2023 during the forthcoming Indian Engineering Congress -2023, to encourage for better and effective engineering education across the country. This award will distinguish the Academia in the field of technology that has set a road ahead for others to follow. The application-based recognition method, is designed to identify eminent Engineering Institutions/Colleges, Polytechnics and Women Engineering Colleges

The Application Format of the subject Award has been carefully designed to bring out the best from the applicant entity. In keeping with the best global awards, the application is basically a self-assessment statement.

I have great pleasure in inviting your esteemed Institution/ Polytechnic regarding participation in the said Award and sending you details of the same in the enclosed Brochure and Application Form.

I look forward to your establishment applying in the enclosed format for the Award. In case any further detail is required, we will be happy to assist you.

Thanking you.

Yours faithfully,

CCET JOURNAL OF SCIENCE AND ENGINEERING EDUCATION

CCET JOURNAL OF SCIENCE AND ENGINEERING is an annual open access online and print journal that publishes original research papers, review articles and case studies in the field of engineering, science and technology encompassing new research and development for various applications.

The journal aims to enhance the outlook towards research, provide a platform for innovators and researchers to bring out their contributions in the form of research papers, case studies, and review articles in the fields of engineering, science and technology and to facilitate the global exchange and review of research ideas and expertise among individuals in the scientific community.

Christian College of Engineering & Technology (CCET) Bhilai, Chhattisgarh was established in 1998. This premier college is publishing Research Journal '**CCET JOURNAL OF SCIENCE AND ENGINEERING EDUCATION**' *ISSN 2455-5061 (ONLINE), ISSN 2582-0680 (PRINT)* from 2016 annually.

ONE WEEK FACULTY DEVELOPMENT PROGRAM
11 - 17 October 2020

Certificate

Learning Management System (MOODLE) For Online Teaching-Learning

This is to certify that

DR.PRETTI NAND KUMAR , CHRISTIAN COLLEGE OF ENGINEERING AND TECHNOLOGY

has successfully completed One Week National Faculty Development Program organized by Guru Angad Dev Teaching Learning Centre, S.G.T.B. Khalsa College, University of Delhi under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT) of MHRD. This was conducted in online mode with one week's involvement spread across one month in a flexible mode. This online FDP is equivalent to one week face to face FDP. The one week's involvement included attendance during live/recorded sessions, hands on activities, submission of quizzes, assignments and project. The participant has obtained GRADE "A+" as required for promotion under CAS of UGC and AICTE.
