TREE PLANTATION IN MBVB SCHOOL CAMPUS

Criterion 3

QnM 3.4.3 NSS Activities

REPORT:

On 25th July 2022, a remarkable tree plantation event took place at the picturesque MBVB School Campus in Bhilai, Chhattisgarh. This meaningful initiative was organized in collaboration with the NSS Unit of Christian College of Engineering and Technology (CCET), Bhilai, and the school management. The event aimed to promote environmental consciousness and instill sustainable practices among the students and staff of MBVB School.

The day began with enthusiastic participants, including students, teachers, and volunteers, gathering at the campus for the event. Led by Mr. Prashant Bawaney, the NSS Coordinator, and supported by Dr. Dipali Soren, the Principal of both CCET and MBVB School, the participants were eager to contribute to this noble cause.

Throughout the day, the participants actively engaged in planting a diverse range of saplings across the school campus. Indigenous trees were thoughtfully selected, considering their compatibility with the local ecosystem to enhance biodiversity and ecological balance.

During the event, Dr. Dipali Soren delivered an inspiring speech that emphasized the significance of tree plantation in preserving the environment. Her words carried added weight, underscoring the joint commitment of both institutions to environmental conservation. She urged everyone present to embrace their responsibility as custodians of nature and take proactive steps towards building a sustainable future for generations to come.

The Tree Plantation event at MBVB School Campus, organized jointly by the NSS Unit of CCET Bhilai and the school management, was a resounding success. The collective efforts of the students, teachers, and volunteers resulted in the establishment of numerous saplings that will grow to be valuable assets for the environment and the entire school community.

This collaborative endeavour showcased the power of partnership in driving positive change and fostering environmental awareness. Beyond the immediate impact of greenery on the campus, the event left a lasting impression on the hearts and minds of the participants, inspiring them to adopt eco-friendly practices in their daily lives.

If You Aim High, We Provide The Means

By sowing the seeds of environmental consciousness, this tree plantation drive will undoubtedly contribute to a greener, healthier, and more sustainable future. The event set a shining example for schools and communities alike, highlighting the transformative potential of collective efforts in creating a better world for all.

Report :

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of Independence and the glorious history of its people, culture and achievements.

This Mahotsav is dedicated to the people of India who have not only been instrumental in bringing India to such great height in its evolutionary journey, but also hold within them the power and potential to enable Prime Minister Narendra Modi's vision of activating India 2.0, fuelled by the spirit of Aatmanirbhar Bharat.

Christian College of Engineering and Technology, Bhilai in order to celebrate AKAM has organized poster completion on 16th August 2022. The topic of AKAM is a vast topic to discuss and here the participants had to show their imagination through posters. Many students enthusiastically participated in the competition. There were in all 30 student participants

As quoted by our Prime Minister Mr. Narendra Modi “The Azadi Ka Amrit Mahotsav means elixir of energy of independence; elixir of inspirations of the warriors of freedom struggle; elixir of new ideas and pledges; and elixir of Aatmanirbharta. Therefore, this Mahotsav is a festival of awakening of the nation; festival of fulfilling the dream of good governance; and the festival of global peace and development”. So Christian College of Engineering and Technology, Bhilai under NSS Club have successfully organized a competition to leave an impact of Aatmanirbhar Bharat on everyone.

POSTER MAKING COMPETITION

Criterion 3

QnM 3.4.3 NSS Activities

The poster is for a poster-making competition. At the top, it features the college's logo and name: "CHRISTIAN COLLEGE OF ENGINEERING & TECHNOLOGY", established in 1998, managed by St. Thomas Mission, Bhillai, and approved by AICTE and affiliated to CSVTU, Bhillai. The main title is "POSTER MAKING COMPETITION" in red. Below it, the text reads "to celebrate independence week under the aegis of AZADI KA AMAIT MAHOTSAV commemorating 75 glorious years of Independence". The event details are: "DATE:- 16/08/2022", "TIME:- 11 AM", and "VENUE:- CCET CAMPUS". At the bottom left is the NSS logo, and at the bottom right is the text "NSS Unit of CCET".

Report :

“Planting a tree is the easiest way to align yourself with the cosmic rhythm”. The most common and known purpose of tree plantation is forestry. The forest is very important for maintaining the ecological balance of the environment of the earth. Also, earlier the forest use to cover a major part of the surface of the earth. Apart from that, the forest grows naturally but in order to increase the speed of reforestation, our contribution is a must for it. Also, it will help the forest to recover from the loss due to deforestation. Furthermore, with combine collaboration, the pace of tree plantation can be increased.

Keeping this thought alive, Christian College of Engineering and Technology, Bhilai have organized a “TREE PLANTATION” campaign commemorating the “AAZADI KE AMRIT MAHOTSAV” on 17th August 2022. The program was conducted under the guidance of Administrative Coordinator Rev. Fr. Phillip Kuruvilla and Principal Dr. Dipali Soren. The event started with motivating words by Rev. Fr. Phillip Kuruvilla who quoted about the importance of tree plantation and why we should conserve forests. Principal Dr. Dipali Soren highlighted how positively trees impact the lives of all living beings and why every human being should contribute in planting trees. All the staff members including technical, non-technical, admin and library staff along with the students have contributed their best in the campaign to make it a successful one. The program was organized by NSS Club of CCET and coordinated by Prashant Bawaney and Richa Sahu.

Trees keep the balance in the ecosystem and ecology. To conclude, we can say that trees are very important and beneficial for every life form on earth. Trees contribute to a rich healthy ecosystem. Animals, insects, birds, and fungi make their home in the trees and make a diverse ecosystem. This balanced environment, in turn, contributes to the betterment of human beings.

REPORT:

The Beti Bachao Beti Padhao Abhiyan event was held on 19th August 2022 at Paras Bod Village in Chhattisgarh. The event was organized by the NSS Unit of CCET Bhilai and aimed to raise awareness about the importance of girl child education, empowerment, and gender equality. The event began with an opening address by Mr. Prashant Bawaney, the NSS Coordinator. He highlighted the significance of the Beti Bachao Beti Padhao Abhiyan and the need to address the challenges faced by girls in accessing education and achieving their full potential. Mr. Bawaney emphasized the importance of creating an inclusive and supportive environment for girls and promoting their rights. Following the opening address, Dr. Dipali Soren, the Principal of CCET Bhilai, delivered a speech. In her address, Dr. Soren emphasized the importance of girl child education and its positive impact on society. She highlighted the need to break gender stereotypes and provide equal opportunities for girls to excel in academics and other fields. Dr. Soren encouraged the community to actively participate in the Beti Bachao Beti Padhao Abhiyan and support the education and empowerment of girls. As part of the event, various activities and sessions were organized to engage the community and spread awareness. Workshops on gender sensitivity, women's rights, and the importance of education were conducted. Participants had the opportunity to learn about the initiatives and schemes implemented under the Beti Bachao Beti Padhao Abhiyan and how they can actively contribute to the cause.

The Beti Bachao Beti Padhao Abhiyan event at Paras Bod Village, with the opening address by Mr. Prashant Bawaney and the speech by Principal Dr. Dipali Soren, successfully created awareness and emphasized the importance of empowering girls through education. The event served as a platform to engage the community and encourage their active participation in promoting gender equality and supporting the education of girls.

In conclusion, the Beti Bachao Beti Padhao Abhiyan event organized by the NSS Unit of CCET Bhilai at Paras Bod Village highlighted the significance of girl child education and empowerment. The event, with the speeches by Mr. Prashant Bawaney and Principal Dr. Dipali Soren, aimed to inspire the community to actively contribute to creating an inclusive society where girls are provided with equal opportunities to thrive and succeed.

Report :

On the 2nd of October 2022, the Christian College of Engineering and Technology (CCET), Bhilai organized a visit to the Mother Teresa Ashram located in Vaishali Nagar, Bhilai. The visit was conducted under the guidance of the National Service Scheme (NSS) Coordinator, Mr. Prashant Bawaney, with a speech delivered by the Principal, Dr. Dipali Soren. The purpose of the visit was to provide students with an opportunity to engage in community service and witness the compassionate work carried out by the Missionaries of Charity at the Mother Teresa Ashram. The Ashram, operated by the Missionaries of Charity, is a renowned center that provides shelter, food, and medical care to the destitute, elderly, and abandoned individuals. It follows the principles established by Mother Teresa and is committed to serving the underprivileged.

Upon arrival at the Ashram, the CCET students and faculty members were warmly welcomed by the staff and volunteers. The visit included various activities and observations, which aimed to give the students a comprehensive understanding of the Ashram's work. The highlight of the visit was the feeding program organized by the Christian College of Engineering & Technology (CCET) Bhilai. The students actively participated in the distribution of nutritious meals to the needy, experiencing the joy and fulfillment that comes with serving others.

In addition to the feeding program, the students had the opportunity to interact with the residents of the Ashram. They listened to their stories, understanding their struggles and challenges. This interaction created a deeper sense of empathy and compassion among the students, inspiring them to make a positive difference in society. The students also engaged in volunteer work, assisting the Ashram staff with cleaning, organizing, and other tasks. This hands-on experience allowed them to actively contribute to the welfare of the residents and reinforced the importance of teamwork and collaboration.

During the visit, the Principal, Dr. Dipali Soren, delivered a speech that emphasized the significance of service to humanity and the role of education in fostering compassion. She commended the work of the Missionaries of Charity and urged the students to continue engaging

in social service initiatives. The speech served as a source of motivation and inspiration for the students, reinforcing the values of empathy, selflessness, and solidarity.

The visit to the Mother Teresa Ashram had a profound impact on the CCET students. It broadened their perspectives, sensitized them to the plight of the underprivileged, and instilled a sense of responsibility towards society. The experience not only deepened their understanding of social issues but also nurtured a spirit of service, encouraging them to actively contribute to the welfare of others.

Furthermore, the visit had a positive impact on the local community. The presence and assistance of the CCET students provided additional support to the Ashram's ongoing efforts. The feeding program, in particular, helped alleviate hunger and malnutrition among vulnerable populations, making a tangible difference in their lives.

In conclusion, the visit to the Mother Teresa Ashram under the Missionaries of Charity was an enriching experience for the students of Christian College of Engineering and Technology, Bhilai. It fostered a deeper understanding of social issues, nurtured a spirit of service, and inspired them to actively contribute to the welfare of others. The visit highlighted the importance of compassion, empathy, and solidarity in creating a positive impact on society.

Environmental sanitation and disposal of garbage & composting

Criterion 3

QnM 3.4.3 NSS Activities

REPORT:

An event on Environmental Sanitation and Disposal of Garbage & Composting was organized on 18th October 2022 at Paras Bod Village in Chhattisgarh. The event was led by the NSS Unit of CCET Bhilai and aimed to raise awareness about the importance of maintaining a clean and sustainable environment.

Mrs. Skikha Agrawal and Ms. Richa Sahu, the Assistant Professor CCET Bhilai, delivered a speech highlighting the significance of environmental sanitation and proper waste disposal practices. He emphasized the adverse effects of indiscriminate waste disposal on the environment, public health, and the overall well-being of the community. Mrs. Skikha Agrawal stressed the need for collective action in adopting responsible waste management practices, including recycling, composting, and proper segregation of waste. The event focused on educating the community about effective waste management techniques. Workshops and interactive sessions were conducted to provide practical knowledge on waste segregation, composting, and the benefits of recycling. Participants were informed about the harmful effects of improper waste disposal and were encouraged to adopt eco-friendly habits in their daily lives. The

The event also served as a platform for discussing the challenges faced by the community in waste management. The participants actively shared their concerns and ideas for improvement. The NSS Unit of CCET Bhilai proposed the establishment of waste collection centers, awareness campaigns, and community-driven initiatives to address these challenges. The community members expressed their willingness to actively participate in these initiatives and pledged their support for maintaining a cleaner and healthier environment.

In conclusion, the event on Environmental Sanitation and Disposal of Garbage & Composting, organized by the NSS Unit of CCET Bhilai, successfully raised awareness about responsible waste management practices. The event provided valuable knowledge and practical demonstrations to empower the community in adopting sustainable waste management practices.

Report :

Pradhan Mantri TB Mukta Abhiyan is an initiative of Ministry of Health and Family Welfare (MoHFW) to accelerate the country's progress towards TB elimination by 2025. It will provide additional patient support to improve treatment outcomes of TB patient and augment community involvement in meeting India's commitment to end TB by 2025.

Christian College of Engineering and Technology, Bhilai to make the move more impactful and to contribute in the mission of spreading awareness regarding the TB Mukta Abhiyan, in collaboration with the NSS Club coordinated by Mr. Prashant Bawaney, have successfully conducted a workshop on the government initiative of making India free from TB by 2025. The session was headed by Mr. Praveen Chandrakar.

Ni-kshay Mitra Initiative: It is to ensure additional diagnostic, nutritional, and vocational support to those on TB treatment.

Ni-kshay Mitra (Donor) are those who can support by adopting health facilities (for individual donor), blocks/urban wards/districts/states for accelerating response against TB to complement government efforts.

Ni-kshay Digital Portal: It will provide a platform for community support for persons with TB.

The WHO (World Health Organisation) has launched a joint initiative "Find. Treat. All. #EndTB" with the Global Fund and Stop TB Partnership. India's National TB Elimination Programme is strengthened to meet the goal of ending the TB epidemic by 2025 from the country, five years ahead of the Sustainable Development Goals (SDG) for 2030.

LINKING AADHAR CARD WITH VOTING ID

Established in 1998

CHRISTIAN COLLEGE OF ENGINEERING & TECHNOLOGY

Managed By St. Thomas Mission, Bhilai

Approved by AICTE and Affiliated to CSVTU, Bilai

If You Aim High, We Provide The Means

Report :

The Electoral Laws (Reform) Bill 2021 which was passed in the winter session suggests the linking of Aadhaar Card with Voter ID of the voter.

The Election Commission of India has informed that the Commission will link Aadhaar number with entry in electoral roll in accordance with the extant Standard Operating Procedure prescribed by the UIDAI. .

The linking of aadhar with voting id is to be done after. The procedure of linking Aadhaar card to Voter ID is very simple and can be done via any one of the multiple methods using the internet, SMS, phone call, or by visiting a booth-level officer. But what entails is a difficult set of questions that need to be evaluated carefully as the changes to the Electoral Laws are bound to have a serious impact on how the Indian Democracy functions.

Christian College of Engineering and Technology under the NSS Club have organized one day campaign for linking Aadhar with Voter ID card on **09-12-2022**. The coordinator for the program was Prashant Bawaney. There was a single day session on how to link Aadhar with voting ID. The key points of the session were: Why is it important to link Aadhar with pan card?; How is it linked?; and, Why is it important to cast vote?

More than 45 students have attended the session and all have understood the meaning and importance of voting and linking Aadhar with the voting id.

"The reasons behind linking Voter IDs with Aadhaar numbers were, streamlining of electoral rolls and the process of registration of migrated voters without duplication in electoral rolls and curbing the menace of multiple enrollment of the same persons in different places"

The linking of an Aadhaar card to Voter ID is voluntary, and as per the provisions of the bill, no one shall be restricted from entering their names in electoral rolls even if they do not have an Aadhaar card.

MAI BHARAT HOON SONG PROMOTION

Report :

There is a growing sense of national pride as the process of de-colonizing the minds of people is rapidly taking place due to unraveling of real history of India. The flag, emblem and few songs are the prime symbols of pride with deep admiration towards our nation. Indian's souls, hearts, minds and bodies speak of India with pride, owing to its ancient classical roots yet progressive, modern and glowing future as the best democracy in the world.

Every Indian is proud to say that 'I am India' (Main Bharat Hoon) because they are aware of the power of the individual to and vote to elect the best of executives to govern and build our country India in the true spirit of democracy. Christian College of Engineering and Technology, Bhilai in order to keep the idea of "Democracy" alive and celebrate it, a circular was issued from CSVTU Bhilai dated 2nd March 2023 under the NSS Club coordinated by Mr. Prashant Bawaney, have successfully publicized the song "Main Bharat Hoon" launched on National Voters Day 25th Jan 2023, in all its social media accounts which are Facebook, Twitter, Instagram, You Tube and all the respective whatsapp group of students and faculties. The song is also played during all the cultural events of the college.

This song has been designed to inspire each VOTER to be one of the best architects of modern India, who understand their duty to vote for their nation, irrespective of their status, class, religion, cast, place, language, and gender. Hence, each voter feels that they are India and India is within them. So, they are proud to sing together as in the song saying – "MAIN BHARAT HOON – BHARAT HAI MUJHME – HUM BHARAT KE MATDATA HAIN – MATDAN DENE JAYENGE BHARAT KE LIYE..."

Report :

It requires immense and unshakeable willpower to be a part of the Indian Armed Forces. We NSS CLUB of CCET salute all such veterans and active personnel of the Indian Armed Forces. To pay tribute to veterans of India who spend their lives for our motherland, we CCET- NSS club in collaboration with AICTE and Veterans India organized a Patriotic Run commemorating the 74th Republic Day on 26th Jan 2023 to glorify the moment of nationalism and patriotism that every single Indian has for their nation and the Armed forces personnel.

Executive Vice Chairman Rev. Fr. Dr. P.S.Varghese started the event by addressing the participants and everyone present on the importance of Republic Day and how the Indian Armed Forces play a vital role in our day-to-day life. As the event progressed our respected Principal Dr. Dipali Soren, Vice Principal Dr. Archana Chowdhury, faculties, members of the NSS Club, along with the volunteers and participants of the Patriotic Run stood for the National Anthem before starting the run.

The run started with all the participants pumped up and shouting out patriotic phrases and slogans such as 'Bharat Mata Ki Jai' and 'Vande Mataram'.

Our Executive Vice Chairman Rev. Fr. Dr. P.S.Varghese, Principal Dr. Dipali Soren, congratulated the participants on completing the Run. The ceremony was followed by our Executive Vice Chairman and principal thanking everyone for being a part of such a patriotic event. With the cooperation of the AICTE and Veterans India along with CCET NSS club coordinated by Mr. Prashant Bawaney and co- coordinated by Mr. Praveen Chandrakar, and the participants, the Patriotic Run became a memorable event. Here are the few glimpses of event day:

REPORT:

The event "Adoption of Paras Bod Gao" took place on 2nd February 2023 at Paras Bod Village in Chhattisgarh. Organized by the NSS Unit of CCET Bhilai, the event aimed to adopt the village and initiate sustainable development projects in collaboration with the local community. Mr. Prashant Bawaney, NSS CELL Cordinator, CCET Bhilai, delivered a speech emphasizing the institution's commitment to the welfare of the community and the holistic development of Paras Bod Village. Representatives from CCET Bhilai's NSS Unit presented a comprehensive plan for community development, including initiatives in education, healthcare, skill development, environmental conservation, and infrastructure. The villagers expressed their gratitude and showed enthusiasm to actively participate in the proposed projects. Committees and task forces were formed to oversee the execution, and regular follow-up meetings were planned. The adoption of Paras Bod Gao marked the beginning of a transformative journey, fostering a lasting bond between CCET Bhilai and Paras Bod Village in their pursuit of positive change and sustainable development.

The adoption of Paras Bod Gao by the NSS Unit of CCET Bhilai showcased the power of community collaboration and collective action. It symbolized a shared vision between CCET Bhilai and the villagers of Paras Bod, where both entities recognized the importance of working together to address the village's needs and aspirations. The event created a sense of unity and purpose, inspiring individuals to actively participate in the development projects and take ownership of their village's future. The adoption program not only aimed to bring tangible improvements to the village but also fostered a sense of pride and empowerment among the villagers, as they played a crucial role in shaping their own destiny. Through this initiative, CCET Bhilai demonstrated its commitment to social responsibility and community engagement, setting an example for other institutions and inspiring a culture of active citizenship.

If You Aim High, We Provide The Means

Report:

The Ministry of Culture organised the campaign along with the Art of Living Foundation. The organization is a non-profit, humanitarian, and educational organization spread across 180 countries. During the campaign, the teachers from the organization conducted the meditation classes. The main objective was to empower the youth with the benefits of meditation.

Meditation gives peace and helps in balancing emotions. With the increase in nuclear families and advancements in technology, people are living in isolation. The changing lifestyle is increasing the stress among the people. Modern generations are moving apart from their root cultures and traditions, thereby inviting mental troubles. Meditation and yogic principles were part of ancient India. And the campaign is trying to revive this ideology back into the social system.

NSS Unit and WGC of CCET Bhilai conducted a guest lecture under the Har Ghar Dhyana campaign. Mrs. Deepti Dubey, (BE and MTech in Computer Science and Engineering), a spiritual scientist, motivational speaker, and corporate trainer, delivered a lecture on meditation and mental health under the "Har Ghar Dhyana" campaign. More than 50 students and faculty attended the programme. Principal Dr. Dipali Soren and Vice Principal Dr. Archana Chowdhury addressed the gathering and motivated all students to perform yoga and dhyana every day. Dr. Sudha Singh concluded the function with a vote of thanks. Prof. Prashant Bawane and volunteers of the NSS unit of CCET Bhilai contributed to conducting the activity successfully.

NOTICE

Sub: - Lecture on Meditation & Mental Health under "Har Ghar Dhyan" campaign.

Sir/Madam,

Women Cell of CCET in collaboration with NSS cell is organizing a lecture on Meditation & Mental Health under "Har Ghar Dhyan" campaign on Wednesday 05th April 2023 from 12. 00 Noon in the B Block auditorium.

This campaign launched by **The Ministry of Culture** partnered with **Art of Living** under the aegis of **Azadi Ka Amrit Mahotsav** to engage the youth in mental health education and to equip them with meditation practices for improved health and wellness.

Har Ghar Dhyan will act as a medium for guiding people toward a healthy lifestyle and will encourage them to take up meditation as a regular practice.

The resource person for the lecture is Dr Deepti Dubey.

Report :

On the 12th of April 2023, the NSS Cell of Christian College of Engineering and Technology (CCET), Bhilai, organized a visit to the Mother Teresa Ashram located in Vaishali Nagar, Bhilai. The purpose of the visit was to provide students with an opportunity to witness firsthand the compassionate work carried out by the Missionaries of Charity and actively contribute to their feeding program. Upon arrival at the Mother Teresa Ashram, the students and faculty members of CCET Bhilai were warmly welcomed by the staff and volunteers. The visit commenced with the Missionaries of Charity's daily feeding program, where nutritious meals were distributed to the underprivileged. The students actively participated in this activity, assisting the volunteers in ensuring that everyone received a sufficient and balanced meal. This hands-on experience allowed the students to engage directly with the beneficiaries and understand the importance of addressing hunger and malnutrition among vulnerable populations. As the visit continued, the students had the opportunity to interact with the residents of the Ashram. They listened attentively to their life stories, empathizing with their struggles, and offering words of encouragement and support. This interaction fostered a profound sense of connection and solidarity, deepening the students' understanding of the challenges faced by the marginalized communities. The highlight of the visit was a heartfelt speech delivered by Dr. Dipali Soren, the Principal of CCET Bhilai. In her address, Dr. Soren emphasized the significance of service and compassion in creating a positive impact on society. She commended the selfless work done by the Missionaries of Charity and encouraged the students to carry forward the spirit of volunteering and social responsibility in their lives. The visit to the Mother Teresa Ashram under the Missionaries of Charity left a lasting impression on the students of CCET Bhilai. It not only provided them with practical insights into the importance of humanitarian work but also instilled a deeper sense of empathy and social consciousness. The experience inspired the students to actively contribute to the welfare of the less fortunate and reinforced the values of compassion and selflessness in their hearts. The NSS Unit of CCET Bhilai expressed gratitude to the Missionaries of Charity for providing this enlightening opportunity and looks forward to future collaborations in serving the community.

MOTIVATIONAL SPEECH ON IMPORTANCE OF EDUCATION

Criterion 3

QnM 3.4.3 NSS Activities

REPORT:

On 14th April 2023, an empowering event took place at the heart of Paras Bod Village in Chhattisgarh, with a strong focus on promoting the significance of education. The event was organized by the NSS Unit of Christian College of Engineering and Technology Bhilai, aiming to inspire and motivate the local community to recognize the transformative power of education in their lives.

Villagers, students, and volunteers eagerly gathered at the venue, reflecting the anticipation and enthusiasm for the motivational session. The NSS Unit of CCET Bhilai played a crucial role in organizing and coordinating the event, ensuring its smooth execution and active engagement of all attendees.

The highlight of the event was the motivational speech delivered by Mrs. Lincy Rodriguez and Miss Divyani. Both speakers passionately emphasized the crucial role of education in shaping one's future and driving positive change in society. Mrs. Lincy Rodriguez shared her personal journey, highlighting how education had been the cornerstone of her success. Through captivating anecdotes, she illustrated how education had opened doors to various opportunities and empowered her to overcome challenges.

Miss Divyani, with high spirited energy and relatability, resonated with the young students present at the event. She spoke passionately about her own educational experiences, urging the students to embrace education as a transformative force to pursue their dreams and aspirations.

The speeches were followed by an interactive session, where the audience actively participated, sharing their thoughts, questions, and aspirations related to education. The speakers attentively engaged with the attendees, providing valuable guidance and encouragement to all present.

The impact of the event was palpable, as the attendees left with a newfound appreciation for education's transformative potential. Many villagers and students expressed their gratitude, recognizing the value of education in breaking the barriers of poverty and ignorance.

MOTIVATIONAL SPEECH ON IMPORTANCE OF EDUCATION

The Motivational Speech on the Importance of Education at Paras Bod Village left a lasting impression on the participants. It not only inspired and motivated individuals to pursue education but also served as a reminder of the power of community service and the impact of passionate individuals coming together for a shared cause.

The event organized by the NSS Unit of CCET Bhilai demonstrated the institution's commitment to empowering communities through education. It exemplified the collective effort to create awareness about education's role in uplifting lives and fostering a culture of learning and growth.

In conclusion, the Motivational Speech on the Importance of Education at Paras Bod Village was a significant step towards empowering the community with the knowledge and understanding of education's transformative potential. The event reinforced the notion that education is not just a means to achieve personal growth but also a catalyst for positive change, progress, and empowerment for individuals and the entire community.

Visit To Underprivileged Kids And Yoga On Mental Stress Relief

Page 1

Criterion 3

QnM 3.4.3 NSS Activities

Report :

“The place where education is valued no as a formality but as a Pride of the Country is never underprivileged”. Christian College of Engineering and Technology with NSS Cell have organized a single day visit on 25th April 2023 to the underprivileged kids and also held a yoga session on mental stress. The school was under Mr. Masiq Ahmed Siddique who is facilitating education and good nutrition to the kids who could not afford education due to poor financial conditions. NSS Cell of Christian College of Engineering and Technology has organized a fun session of dance where the kids have thoroughly enjoyed with our students. Then there was a motivation session by Mr. Prashant Bawaney who has inspired kids about importance of education, nutrition and yoga. Then our few students naming Aparata Sona and Ragini Rathore have actively interacted with kids and make them feel how they can achieve heights by attaining good education. Then the event progressed with a poster making session where students have shown their creativity with colors and great imagination. The posters were so touching which portrayed the depth of imagination of the kids.

In this race, the underprivileged that lack resources are often left out. Thus, there is a need to boost our educational system, especially underprivileged students. Students are the country's future. Having quality knowledge and excellent skills will help both the individual and country grow.

Our privilege was that we got the opportunity to organize such an inspirational tour for students, so that they get more empathize towards everyone in the society and in future they also put their best foot forward in helping and framing the society in a better way.

Report :

On 27-04-2023, the NSS Unit of Christian College of Engineering and Technology (CCET) organized a Dental Checkup Camp at Saraswati Shishu Mandir in Sunder Nagar, Bhilai. The camp aimed to provide free dental checkups and promote oral health awareness among the students of Saraswati Shishu Mandir and the local community. The camp was headed by Dr. Savita Kabdwal and provide all facilities by the Principal of Saraswati Shishu Mandeer, Vaishali Nagar, Bhilai.

The camp began with registration and screening, followed by comprehensive dental examinations conducted by qualified dentists. Participants received professional advice, recommendations, and on-site treatments as needed. The camp also included interactive sessions on oral health education, covering topics such as proper dental care practices and the prevention of dental diseases. The camp had a positive impact by facilitating early detection of dental problems, raising awareness about oral health, providing access to dental care, and showcasing the college's commitment to community service.

Overall, the Dental Checkup Camp organized by the NSS Unit of CCET Bhilai was a successful initiative in promoting oral health and providing necessary support to the community.

Report :

This report provides a comprehensive overview of the career guidance and counseling program conducted by the NSS (National Service Scheme) Unit of CCET (Christian College of Engineering and Technology) in Ramnagar, Supela, Bhilai, C.G. The objective of this program was to equip students with the necessary information, resources, and support to make well-informed decisions about their career paths.

The career guidance and counseling program was held on May 2, 2023, at the designated venue in Ramnagar, Supela, Bhilai. Students from various educational backgrounds and academic levels participated in the program, which was organized by the NSS Unit of CCET Bhilai.

Experienced professionals and career experts conducted sessions on career exploration, offering students the opportunity to delve into different fields, industries, and emerging job sectors. The presenters discussed the skills, qualifications, and potential growth opportunities associated with each career path. By broadening students' perspectives, these sessions enabled them to make informed choices aligned with their interests and aptitudes.

The program also included a discussion by the Dr R.H. Gajghat, HOD Mechanical, CCET Bhilai and Dr. P. S. Rao, Associate Professor, CCET Bhilai on higher education guidance, where experts provided valuable information on selecting suitable courses, colleges, and universities. They discussed scholarship opportunities, admission requirements, and the importance of aligning educational choices with long-term career goals. This guidance was intended to empower students with the knowledge necessary to make well-informed decisions regarding their educational pathways.

Recognizing the significance of skills in the professional world, the program focused on skill development. Sessions were dedicated to essential skills such as communication, teamwork, problem-solving, and adaptability. Students received insights into strategies for honing these skills and their relevance in enhancing employability and succeeding in the workplace.

Career Guidance And Counseling For Students

Criterion 3

QnM 3.4.3 NSS Activities

Throughout the program, interactive sessions were conducted, allowing students to engage directly with the presenters and seek answers to their individual aspirations and concerns. These interactive sessions fostered a dynamic exchange of ideas and encouraged active participation, enhancing students' overall learning experience.

In conclusion, the career guidance and counseling program organized by the NSS Unit of CCET Bhilai in Ramnagar, Supela, Bhilai, proved to be an impactful event for the participating students. By providing comprehensive insights into various career paths, higher education opportunities, and skill development strategies, the NSS team aimed to empower students to make informed decisions about their future careers. It is hoped that similar initiatives will continue to be organized in the future, offering ongoing support to students in their career journeys and fostering a well-prepared workforce for the evolving professional landscape.

Report :

On 10-05-2023, the NSS Unit of Christian College of Engineering and Technology (CCET) in Bhilai organized an Eye Checkup Camp at the Seminar Hall of the college. The camp aimed to provide free eye checkups and raise awareness about eye health among the students, staff, and the local community. The camp was headed by Doctors of SAI BABA EYE HOSPITAL, BHILAI

The event began with registration and preliminary screenings to identify individuals in need of further examination. Qualified optometrists conducted comprehensive eye examinations, including tests for refractive errors, visual field defects, and eye diseases. Prescription glasses were provided to those diagnosed with refractive errors, with the optometrists determining the appropriate prescription based on the examination results.

Alongside the checkups, the camp focused on educating participants about preventive measures and distributing informational materials. Referrals were made for individuals requiring specialized care or treatment, ensuring appropriate follow-up. The camp had a positive impact by facilitating early detection, increasing awareness about eye health, providing access to eye care, and demonstrating the college's commitment to community service.

The Eye Checkup Camp organized by the NSS Unit of Christian College of Engineering and Technology (CCET), Bhilai, successfully provided free eye checkups and raised awareness about eye health. The camp's impact was evident in the early detection of eye problems, provision of prescription glasses, and increased awareness among the participants. The event served as a collaborative effort to support the community's eye care needs and promote a healthier vision for all.

Report:

NSS Unit of CCET Bhilai organized a program to celebrate Awareness Program On Environmental Issues. The principal and the Vice-Principal along with all the faculty members and students participated in the program with full energy.

The aim behind organizing this program was to give awareness to people about keeping the environment clean and safe from pollution. For this purpose, plant more trees to purify the air and make the earth green. The program started at 2.30pm on 05-06-2023

This was an amazing and interesting activity. All the students started planting and the teachers guided them in this regard. Some students cleaned the campus. The gardener surveyed the entire campus and made sure that planting is done appropriately.

Report :

On June 7, 2023, the NSS Unit of CCET Bhilai organized an Awareness Program on Food Habits at the CCET Campus in Bhilai, Chhattisgarh. The event aimed to create awareness and educate participants about the significance of healthy food habits in maintaining overall well-being. The program took place in the auditorium of CCET Campus Bhilai and drew a diverse audience, including students, faculty members, and staff, and Dr. Dipali Soren, delivered an engaging speech on the subject.

Dr. Dipali Soren's speech focused on the importance of adopting a balanced diet that encompasses all essential nutrients, vitamins, and minerals. She highlighted the negative consequences of unhealthy food choices, such as obesity, diabetes, and cardiovascular diseases. Dr. Soren emphasized the role of nutrition in preventing these ailments and encouraged participants to make informed decisions about their dietary habits.

During her speech, Dr. Soren provided practical tips on making healthier food choices in daily life. She emphasized the consumption of fresh fruits and vegetables, whole grains, and lean proteins, while emphasizing the importance of portion control. She also addressed common misconceptions about certain food items and clarified their actual nutritional value.

Following the speech, an interactive session allowed participants to ask questions and seek further guidance on nutrition-related topics. Dr. Soren patiently addressed each query, providing evidence-based explanations and ensuring that participants left with a thorough understanding of the subject matter.

The Awareness Program on Food Habits organized by the NSS Unit of CCET Bhilai proved to be a successful event. It effectively disseminated knowledge and raised awareness about the significance of healthy food habits. Dr. Dipali Soren's informative speech and the subsequent interactive session provided valuable insights into nutrition and health, empowering participants to make informed choices about their dietary habits.

“Awareness Program on Food Habits”

Approved by AICTE and Affiliated to CSVTU, Bhilai

If You Aim High, We Provide The Means

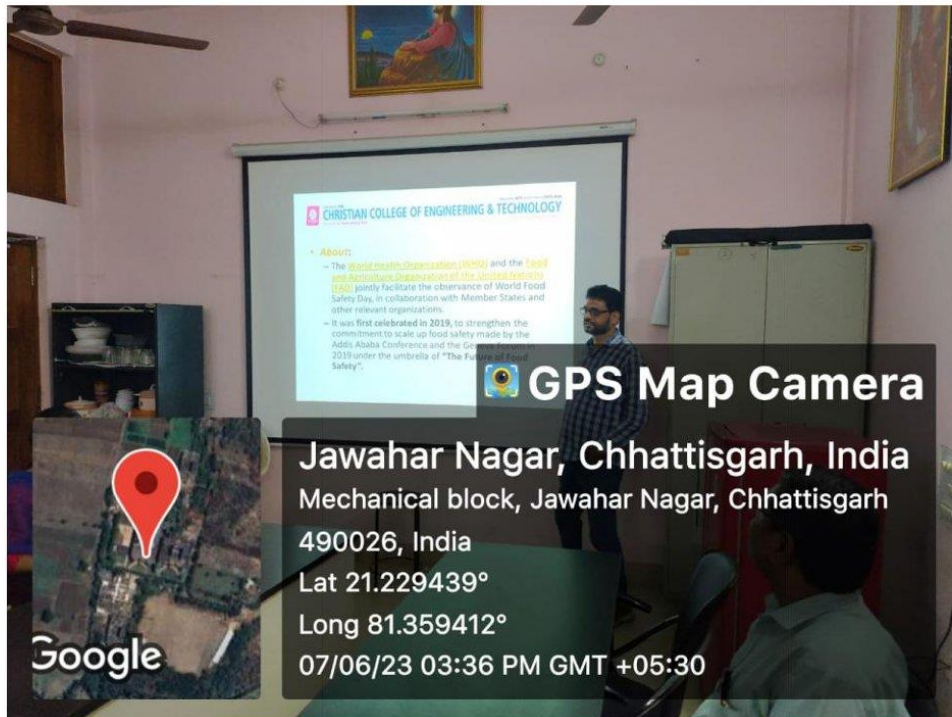

Moving forward, it is recommended that the NSS Unit of CCET Bhilai continues organizing similar awareness programs on a regular basis. Collaboration with local health authorities, nutritionists, and dieticians can further enhance the support and guidance provided to participants. The program is expected to have a lasting impact, inspiring individuals to prioritize their well-being and adopt healthier eating habits.

The NSS Unit of CCET Bhilai expresses its gratitude to Dr. Dipali Soren for her valuable contribution and enlightening speech. Special thanks are extended to the organizing committee, volunteers, and all participants for their active engagement, which contributed to the success of the program.

Date : 13/06/2023

Venue : CCET Campus Bhilai, C.G.

NSS Unit of CCET Bhilai

“Fire Safety Awareness.”

Criterion 3

QnM 3.4.3 NSS Activities

Report :

With an objective to create awareness about fire safety and the usage of fire extinguishing equipment, a Fire Safety Awareness Programme was conducted at CCET Bhilai June 13, 2023. The programme aimed at making the employees and students of the Institute mindful about fire hazards and the safety measures which can be taken during fire emergency. Mr Ram Kotikala was invited speaker.

He discussed about several types of materials which cause fire and how that fire can be ceased. Giving examples of fire emerged due to petrol and LPG he also discussed the scientific reasons behind why some things catch fire quickly, while some items are the last to burn, like bricks. Mr. Ram Kotikala mentioned that fire equipment is manufactured on the basis of five types of fire which are categorized as follows:

Type A- Caused due to wood, cloth, coal

Type B- Caused due to all kinds of inflammable liquids like kerosene, petrol

Type C- Caused due to all kinds of inflammable gases

Type D- Caused due to rise in temperature of various metals

Type E- Caused due to short-circuit in any electric equipment

Mr. Kotikala also discussed about the safety measures at home and public places. The talk was followed by a Q&A session.

The Fire Brigade Department also conducted a mock drill and gave a demonstration of how fire extinguishers can be used to cease a fire caused due to petrol and diesel.

The workshop was attended by the administration and security staff of CCET Bhilai.

REPORT:

A programme to reward the Institute's female cleaning staff with sarees and gifts was organised by the NSS section of CCET on 28th June 2023. Cleanliness is a very essential component of human life. The physical one is essential for the well-being of and existence of humanity. It is essential to lead a healthy and good life. In fact, health and cleanliness are related to each other. To get good health, one must practice hygiene. It is essential to practice maintaining good health and preventing diseases.

Moreover, equally important is the cleanliness of our environment. When you maintain cleanliness, you can prevent disease and lead a healthy life. Health professionals advocate hygienic practices to prolong the lives of individuals. Therefore, the value of the cleaning team is immense and ought to be appreciated. The event was planned and carried out with this objective in mind by Asst. Prof. Prashant Bawaney, the NSS Coordinator, and NSS volunteers. Employees of CCET received gifts and sarees from Executive Vice Chairmen of CCET Bhilai Fr. Dr. P. S. Varghese Sir and Principal of CCET, Dr. Dipali Soren mam. The entire faculty, support staff, and NSS volunteers attended the event.

Report :

From June 15th to June 21st, 2023, the NSS Cell of CCET Bhilai organized a week-long celebration of Yoga at the CCET Campus in Bhilai, Chhattisgarh. The event aimed to emphasize the importance of yoga in our daily lives and promote its numerous physical, mental, and spiritual benefits. Mr. Prashant Bawaney, the coordinator of the event, played a crucial role in planning and executing various activities throughout the week. Participants included students, faculty members, and staff who actively participated in the event.

The celebration of Yoga Week comprised a series of activities designed to promote the practice and understanding of yoga. Daily yoga sessions were conducted, led by experienced instructors. These sessions incorporated different yoga asanas, pranayama (breathing exercises), and meditation techniques. Participants were guided through each practice, focusing on correct alignment, mindful breathing, and the benefits associated with each pose. The yoga sessions provided a rejuvenating and calming experience, allowing participants to experience the physical and mental benefits of yoga firsthand.

Lectures delivered by expert in the field of yoga Dr. R. H. Gajghat, HOD, Mechanical further enriched the participants' knowledge. The lectures covered a wide range of topics, including the impact of yoga on physical health, stress management, mental well-being, and overall holistic development. The speakers emphasized the scientific basis behind the benefits of yoga and provided practical tips on incorporating yoga practices into everyday routines.

The "Celebration of Yoga Week" organized by the NSS Unit of CCET Bhilai successfully highlighted the significance of yoga in our daily lives. Participants gained a deeper understanding of the physical, mental, and spiritual benefits associated with the practice of yoga. The event not only provided a platform for individuals to experience the transformative power of yoga but also encouraged them to integrate yoga into their daily routines for improved well-being.

The NSS Unit of CCET Bhilai, under the guidance of Mr. Prashant Bawaney, deserves appreciation for their efforts in organizing such an enlightening and engaging event. To further promote the practice of yoga, it is recommended that the NSS Unit continues organizing similar events and workshops throughout the year. Collaborations with yoga experts, practitioners, and wellness organizations can enhance the quality and reach of such programs. Furthermore, incorporating yoga into the regular curriculum or offering dedicated yoga classes at CCET Bhilai would further encourage students to embrace the practice of yoga.

The NSS Unit of CCET Bhilai expresses its gratitude to Mr. Prashant Bawaney for his exceptional coordination and leadership in organizing the "Celebration of Yoga Week." Special thanks are also extended to the yoga instructor Dr. R. H. Gajghat, and all participants for their enthusiastic participation and contribution to making the event a success.

COVID 19 Post Lockdown Campaign

Criterion 3

QnM 3.4.3 NSS Activities

Report :

Christian College NSS unit conducted the event COVID 19 Post Lockdown Campaign was conducted in online mode on Google Meet.

This report presents an overview of a post-COVID awareness campaign conducted in CCET Campus Bhilai on 21-08-2021. The primary goal of the campaign was to educate and inform the community about the potential long-term effects of COVID-19, mental health support, rehabilitation, and rebuilding efforts. This report highlights the key activities, strategies, outcomes, and recommendations for future post-COVID awareness initiatives. The session was headed by Dr. R H Gajghat, Professor, Mechanical Department, CCET BHILAI.

The campaign successfully raised awareness among the community about the potential long-term effects of COVID-19 and the importance of seeking post-COVID care. Surveys and feedback indicated a significant increase in knowledge and understanding of post-COVID challenges and available support services.

The campaign facilitated access to support services for individuals experiencing post-COVID symptoms. This led to an increased utilization of healthcare services, rehabilitation programs, and mental health support resources. Many individuals reported feeling supported and encouraged to seek appropriate care.

The campaign played a vital role in addressing the mental health challenges faced by individuals post-COVID. The formation of support groups and the availability of resources helped individuals cope with anxiety, depression, and other psychological effects of the pandemic.

Webinar on Participation in Spitting Kills Campaign

Criterion 3

QnM 3.4.3 NSS Activities

Report :

The NSS unit of CCET Bhilai conducted a webinar on the topic **Participation in Spitting Kills Campaign** on Sept 28, 2021 at 11am. The online session was conducted by Dr. Archana Chowdhary, Associate Professor, CCET, Bhilai. This session volunteers became aware about the discrimination faced by certain group of people in our society. Around 50 Students and Teachers participated in the meeting

This report provides an overview of the webinar conducted to promote participation in the "Spitting Kills" campaign aimed at raising awareness about the health risks and social consequences associated with spitting in public places. The webinar aimed to educate participants about the dangers of spitting, discuss strategies for behavior change, and encourage active involvement in the campaign. This report highlights the key activities, strategies, outcomes, and recommendations for future webinars focusing on promoting the "Spitting Kills" campaign.

The webinar began with an introduction to the "Spitting Kills" campaign, emphasizing the reasons behind its initiation and the need to address the issue. The Speaker provided an overview of the health hazards associated with spitting, including the transmission of diseases and the negative impact on public hygiene

The speaker shared statistics, case studies, and personal experiences to highlight the gravity of the issue and the importance of collective action.

Report :

This report provides an overview of the mental health awareness campaign organized by the NSS (National Service Scheme) Unit of CCET (Christian College of Engineering and Technology) Bhilai. The primary objective of this campaign was to raise awareness about the mental health challenges that have arisen in the aftermath of the COVID-19 pandemic. The campaign aimed to provide support, resources, and education to individuals experiencing mental health issues.

On October 12, 2021, the NSS Unit of CCET Bhilai organized a mental health awareness campaign at Saraswati Vihar English Medium Hr. Sec. School in MP Housing Board Colony, Bhilai. The college recognized the need to address the growing mental health concerns brought about by the pandemic and took proactive measures to support the well-being of its students and the wider community.

The NSS coordinator Prashant Bawaney and Dr. P. S. Rao, Associate Professor, CCET Bhilai comprised a series of activities aimed at promoting mental health awareness and offering support to those affected. These sessions provided participants with valuable insights into the mental health challenges associated with the pandemic, focusing on stress management, self-care practices, resilience building, and the importance of seeking professional help when necessary.

In addition to workshops and seminars, awareness sessions were held to dispel common myths and misconceptions surrounding mental health. The aim was to foster open discussions and reduce the stigma surrounding mental well-being.

In conclusion, the mental health awareness campaign organized by the NSS Unit of CCET Bhilai demonstrated the college's commitment to addressing the mental health challenges arising from the COVID-19 pandemic. Through workshops, seminars, awareness sessions, and resource distribution, the campaign provided valuable support, resources, and education to promote mental well-being and destigmatize mental health issues. NSS coordinator Prashant Bawaney and Dr. P. S. Rao, Associate Professor, CCET Bhilai talked about the significance of raising awareness about mental health and promoting a supportive environment within society. By doing

REPORT:

Under the clarion call of Swachh Bharat Abhiyaan, a remarkable event took place on 17th January 2022 at MBVB School Campus in Bhilai, Chhattisgarh - the MBVB School Campus Cleaning. Coordinated by the NSS Unit of Christian College of Engineering and Technology Bhilai, the event aimed to raise awareness about cleanliness and environmental preservation among the students and staff of MBVB School, aligning with the national campaign of Swachh Bharat Abhiyaan.

At 11:00 AM in the morning, eager students and enthusiastic volunteers gathered at the campus, donning gloves, masks, and cleaning equipment provided for their safety. Divided into teams, they embarked on their respective tasks, cleaning corridors, playgrounds, gardens, and administrative blocks with dedication and zeal. The event emphasized the significance of responsible waste disposal and recycling to ensure an eco-friendly environment for learning, in line with the Swachh Bharat Abhiyaan's objectives of promoting cleanliness and hygiene.

During the event, Mr. Prashant Bawaney, the NSS Coordinator from CCET Bhilai, delivered an inspiring speech. He emphasized the importance of community service and how simple acts, like cleaning the campus, can make a significant positive impact on the environment and the overall well-being of the school community. Mr. Bawaney encouraged the students to take personal responsibility for waste management and to be more mindful of their surroundings, supporting the goals of the Swachh Bharat Abhiyaan.

The event was a tremendous success, thanks to the collective efforts of the volunteers and the collaborative spirit between MBVB School and Christian College of Engineering and Technology, Bhilai through NSS initiatives. The campus was left pristine and vibrant, fostering a clean and healthy environment for all. Beyond the physical impact, the event instilled a sense of responsibility, teamwork, and community service in the participants, nurturing socially responsible citizens for the future. Such initiatives exemplify the power of partnerships in driving positive change and promoting sustainable practices, leaving a lasting impact on both the

Mental health awareness after covid-19 pandemic

Criterion 3

QnM 3.4.3 NSS Activities

Report :

This report presents a comprehensive summary of the mental health awareness campaign held on March 3, 2022, at Saraswati Vihar English Medium Hr. Sec. School, MP Housing Board Colony, Bhilai, organized by the NSS (National Service Scheme) Unit of CCET Bhilai.

The primary objective of this campaign was to raise awareness about the mental health challenges that have emerged in the aftermath of the COVID-19 pandemic. The campaign aimed to provide support, resources, and education to individuals experiencing mental health issues.

The mental health awareness campaign organized by the NSS Unit of CCET Bhilai aimed to address the pressing need for mental health support in the community. The campaign was held at an unspecified date and venue, recognizing the importance of providing crucial information and assistance during these challenging times.

The campaign comprised various activities designed to promote mental health awareness and well-being. Expert speakers, including mental health professionals and counselors, conducted workshops and seminars. These sessions provided participants with valuable insights into the mental health impact of the pandemic, focusing on stress management, self-care practices, resilience building, and the significance of seeking professional help when needed.

In addition to workshops and seminars, the Dr. Dilip Dash, Professor, CCET Bhilai held the awareness sessions to challenge stigma and misconceptions surrounding mental health. To ensure the accessibility of information and resources, the campaign involved the distribution of informational materials such as brochures, pamphlets, and online resources. These resources provided guidance on recognizing signs of mental distress, self-help techniques, and available mental health services within the community. The distribution aimed to empower individuals with knowledge and encourage them to seek appropriate support.

The NSS coordinator Prashant Bawaney also held interactive activities to actively engage participants. Group discussions, role-plays, and sharing personal experiences allowed for a

Mental health awareness after covid-19 pandemic

Criterion 3

QnM 3.4.3 NSS Activities

dynamic exchange of ideas and fostered a sense of community. Through these activities, participants gained peer support, understanding, and practical coping strategies.

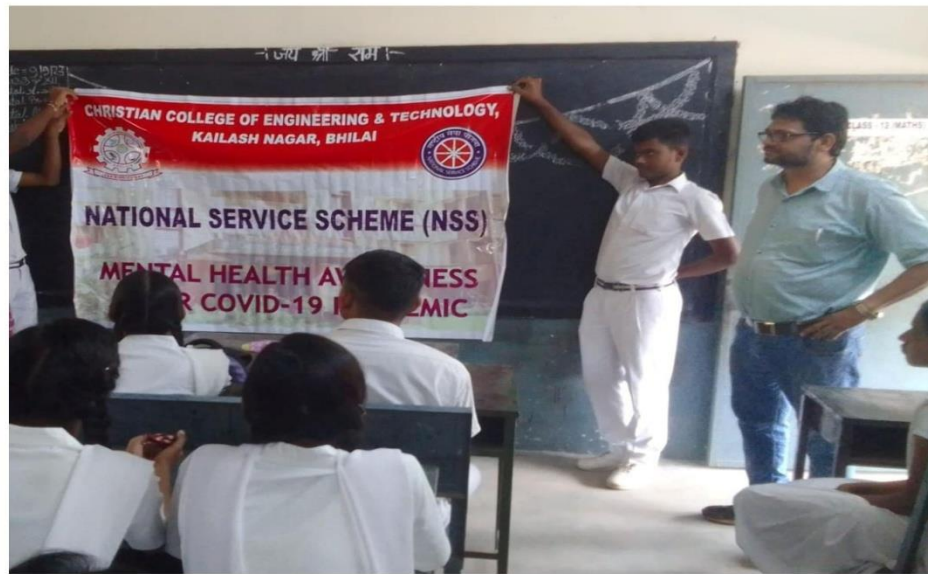

In conclusion, the mental health awareness campaign organized by the NSS Unit of CCET Bhilai played a crucial role in addressing the mental health challenges emerging in the aftermath of the COVID-19 pandemic. Through workshops, seminars, awareness sessions, and resource distribution, the campaign provided valuable support, resources, and education to promote mental well-being and combat the stigma surrounding mental health issues.

REPORT:

A meeting with the village Paras Bod Sarpanch was held on 15th March 2022 at Paras Bod Village in Chhattisgarh. The meeting was organized by the NSS Unit of CCET Bhilai with the aim of establishing a dialogue with the local community and discussing initiatives for community development.

The meeting commenced with a speech by Mr. Prashant Bawaney, NSS CELL Coordinator CCET Bhilai. Mr. Bawaney expressed her gratitude to the village Sarpanch and community members for their presence and willingness to collaborate for the betterment of the village. She emphasized the importance of community engagement and the role of educational institutions in fostering positive social change. Mr. Bawaney highlighted the need for collective efforts in addressing community challenges and working towards sustainable development. During the meeting, the participants engaged in a productive discussion on various topics related to village development. The village Sarpanch shared insights into the existing challenges faced by the community and the ongoing initiatives taken by the local administration. The participants brainstormed ideas and strategies for addressing issues such as education, healthcare, sanitation, and infrastructure development. The NSS Unit of CCET Bhilai presented their plans and proposals for community outreach programs and initiatives. They highlighted the importance of involving the youth in social service activities and encouraged the community members to actively participate in NSS programs. The NSS Unit expressed their commitment to collaborating with the village administration and community members to drive positive change and contribute to the overall development of the village.

The meeting concluded with a mutual agreement to establish a collaborative framework between the village administration and CCET Bhilai's NSS Unit. It was decided to conduct regular meetings and follow-up sessions to track the progress of the proposed initiatives. The village Sarpanch expressed their appreciation for the efforts of CCET Bhilai and assured their support in implementing the suggested programs.

Criterion 3

QnM 3.4.3 NSS Activities

The meeting with the village Paras Bod Sarpanch, featuring the speech by Mr. Prashant Bawaney, was a significant step towards fostering collaboration and addressing community issues. The meeting provided a platform for open dialogue, exchange of ideas, and the establishment of a partnership between CCET Bhilai and the local administration.

In conclusion, the meeting with the village Paras Bod Sarpanch was a positive step towards community development and collaboration. The event highlighted the commitment of CCET Bhilai's NSS Unit and the village administration to work together for the betterment of the village. The meeting served as a foundation for future initiatives and joint efforts to address the challenges and drive sustainable development in Paras Bod Village.

If You Aim High, We Provide The Means

Report :

Christian College NSS unit conducted a Webinar Based On “Management Of Stress During Covid19”. NSS volunteers participated actively in this webinar. The online session was conducted by Dr. R H Gajghat, Professor, Mechanical Department CCET, Bhilai. The program was conducted by NSS coordinator Mr. Ganpat Lal Rakesh, CCET ,Bhilai

The NSS Cell of CCET, Bhilai conducted this health awareness programme for college students on “MANAGEMENT OF STRESS DURING COVID19”.

The current worldwide outbreak of Covid-19 has left many people with concerns about the spread of this new disease. Fear and anxiety about a new disease and what could happen can be overwhelming and cause strong emotions in adults and children. Public health actions, such as social distancing, can make people feel isolated and lonely and can increase stress and anxiety. Thus, making stress management an imperative part of one's learning. NSS unit of CCET organised Webinar cum interactive session on "Management on Stress During Covid19".

The event was successfully conducted on August 25, 2020 - 10:00 am to 1 pm via Google Meet application. Students, NSS volunteers, teachers and general public in and around Bhilai Durg had participated in this event.

Report :

Christian College NSS unit conducted a program based on Mask preparation and donation campaign during lockdown time NSS volunteers participated in this program. The program was lead by Mr. Ganpat Lal Rakesh, NSS coordinator CCET, Bhilai. The program was conducted on 18/09/2020 at Kailash Nagar, Bhilai.

"Mask Donation Campaign" conducted during the lockdown period to address the shortage of masks and promote public health and safety. The campaign aimed to collect and distribute masks to vulnerable communities, essential workers, and individuals in need

The campaign organized a mask collection drive, encouraging individuals and organizations to donate unused or homemade masks. Drop-off points were set up at designated locations, following safety protocols and social distancing guidelines.

The campaign collaborated with local authorities, healthcare facilities, and community organizations to identify and distribute masks to those in need. Priority was given to vulnerable populations, essential workers, and high-risk areas where access to masks was limited.

The campaign conducted public awareness campaigns through various channels, including social media, online platforms, and local media outlets. These efforts aimed to educate the public about the importance of wearing masks, proper mask usage, and the significance of donation.

REPORT:

The online event "Make Good Use of Your Time in the COVID Period" was held on 22nd September 2020 at CCET Bhilai, Chhattisgarh. The event was organized by the NSS Unit of CCET Bhilai, aiming to provide guidance and motivation to individuals during the challenging period of the COVID-19 pandemic. The event commenced with an opening address by Dr. Dipali Soren, the Principal of CCET Bhilai. In her speech, Dr. Soren acknowledged the unprecedented circumstances brought about by the pandemic and emphasized the importance of utilizing time effectively. She encouraged participants to view the current situation as an opportunity for personal growth and skill development. Dr. Soren highlighted the significance of staying positive, adapting to online learning and remote work, and exploring new avenues for self-improvement.

Following the Principal's speech, Dr. Archana Chowdhary, HOD CSE of CCET Bhilai, delivered an inspiring talk. Dr. Chowdhary discussed the challenges posed by the pandemic and how individuals can make the best use of their time despite the restrictions. She emphasized the value of online resources and learning platforms, encouraging participants to acquire new knowledge, develop new skills, and engage in productive activities. Dr. Chowdhary's speech aimed to motivate and empower individuals to make the most of their time during the COVID-19 period. The event also featured interactive sessions and workshops conducted by experts and professionals in various fields. These sessions provided practical tips and insights on utilizing time effectively, managing online learning, maintaining mental well-being, and pursuing personal interests and hobbies. Participants had the opportunity to ask questions and engage in discussions, gaining valuable guidance and support.

In addition, the NSS Unit of CCET Bhilai organized online competitions and activities to engage participants and promote their creative and innovative abilities. Competitions such as essay writing, art, and photography were conducted, allowing individuals to showcase their talents and skills. These activities aimed to foster a sense of community and provide a platform for participants to connect and share their experiences during the pandemic.

The online event "Make Good Use of Your Time in the COVID Period" organized by the NSS Unit of CCET Bhilai successfully provided guidance and inspiration to individuals facing the challenges of the pandemic. Through the speeches, interactive sessions, and competitions, participants were encouraged to use their time productively, adapt to online learning, and explore personal growth opportunities.

In conclusion, the online event served as a platform for individuals to gather valuable insights, gain motivation, and learn practical strategies for making good use of their time during the COVID-19 period. The event, with the speeches by Dr. Dipali Soren and Dr. Archana Chowdhary, showcased the commitment of CCET Bhilai's NSS Unit to support and empower individuals during challenging times.

The poster features the college logo at the top left and the title in large red letters on the right. Below the title, two photographs show the speakers at their desks. The date, time, and venue are listed in bold black text. At the bottom, there is a Google Meet icon and the NSS Unit of CCET logo.

Report :

Christian College NSS unit conducted a webinar based on **HEALTH AWARENESS COVID 19 AND HAND HYGIENE** NSS volunteers participated in this webinar. The online session was conducted by Dr. Dipali Soren. The program was conducted by NSS coordinator Ganpat Lal Rakesh on 24/09/2020 at CCET ,Bhilai

The NSS Cell of CCET, Bhilai conducted this health awareness programme for around 150 students on health awareness covid 19 and hand hygiene.

Firstly, the students were educated and awareness was created about a very important disease that has been declared as a Pandemic by WHO Corona virus disease. Dr. Dipali Soren and volunteers talked about the risk factors, high risk areas, symptoms, signs, diagnosis, treatment, complications, busting the myths created on social media and most importantly the methods of prevention and precautions to be taken to safeguard oneself.

They were made aware about the importance of using masks, the people at high risk who require the use of masks and that not everybody needs to wear a mask. They were also told that panic will not help in any way ,but being aware of the problem, taking up the responsibility of creating awareness to peers and other family members to tackle the situation, approaching the healthcare providers and hospitals in case of any suspicion, is the key to control such a pandemic. Secondly, the students were taught about hand hygiene, its importance and the steps of proper hand washing.

Report :

Christian College NSS unit started a campaign "GRATITUDE TOWARDS CORONA WARRIORS" on October 12, 2020 to express gratitude to all those who are involved in the fight against the COVID-19 pandemic across the country in online mode on Google Mode.

This report gives a summary of the "Gratitude Towards Corona Warriors" campaign, which sought to honour and show gratitude for the contributions made by front-line medical personnel, vital service providers, and unsung heroes in the community during the COVID-19 epidemic. While highlighting the unselfish sacrifices made by these people, the campaign aimed to promote an attitude of appreciation and community. The session was headed by Dr. Dilip Dash, HOD Maths Deptmaent, CCET Bhilai.

The initiative urged people to thank corona fighters in many ways, including as through social media posts, thank-you notes, and video testimonies. To honour the corona warriors healthcare professionals, first responders, delivery workers, and volunteers virtual activities were organised.

Resources and assistance were made available to corona warriors. Food, personal protective equipment (PPE), and other necessities were gathered and dispersed as donations. To address the emotional difficulties experienced by corona warriors, mental health support programmes and counselling were also made accessible.

Report :

The NSS unit of CCET Bhilai conducted a webinar on the topic “Gender Equity :Gender awareness and social security “ on 21ST October 2020 at 6 pm. The main guest was Dr. Smt. Achala Jain, Associate Professor, SSTC, Bhilai. This session volunteers became aware about the discrimination faced by certain group of people in our society. Around 50 student and teacher participated in the meeting.

"Webinar on Gender Equity" was organized to raise awareness and promote dialogue on the importance of gender equity in various spheres of life. The webinar aimed to discuss the challenges and opportunities in achieving gender equality, share best practices and empower participants to become agents of change. This report highlights the key activities, strategies, outcomes, and recommendations for future webinars focusing on gender equity.

The webinar successfully increased participants' awareness and understanding of the importance of gender equity. Attendees gained insights into the root causes of gender inequality, the impact of gender disparities on society, and the need for collective action to address these issues.

The webinar served as a platform for knowledge sharing, enabling participants to gain practical insights and resources to support their gender equity initiatives.

Recommendations were given such as Continued Engagement: Organize follow-up webinars or discussion sessions to sustain the momentum and engagement around gender equity. Focus on specific topics such as gender-responsive education, inclusive workplaces, women's empowerment, and challenging gender stereotypes.

Report :

Christian College NSS unit conducted the event Youth versus Corona Campaign was conducted in online mode on Google Meet. This report presents an overview of Youth versus Corona Campaign conducted from home on 28/10/2020.

This report presents an overview of the "Youth versus Corona" campaign, which aimed to engage and empower young individuals in the fight against the COVID-19 pandemic. The campaign focused on raising awareness, promoting preventive measures, addressing mental health challenges, and encouraging youth-led initiatives to combat the impact of the virus. This report highlights the key activities, strategies, outcomes, and recommendations for future youth-focused campaigns. It has created increased Knowledge and Awareness among the students. The campaign was successful in spreading information about COVID-19, its effects, and preventative actions among young people. According to surveys and participant comments, knowledge levels have significantly improved, with participants displaying an awareness of the virus and the value of responsible behaviour.

Positive behavioural improvements among young people were improved by the programme. There was a noticeable rise in the use of masks, hand hygiene compliance, physical seclusion, and responsible socialising. The young people enthusiastically accepted their responsibility as responsible citizens to stop the virus from spreading. Youth Empowerment and Engagement was witnessed by the programme was effective in involving youth in the battle against COVID-19. They actively took part in youth-led projects, demonstrating their leadership abilities, inventiveness, and sense of community. The session was headed by Dr. P S Rao, HOD Mechanical Dept, CCET bhilai.

REPORT:

An online event was held on 16th November 2020 at CCET, Bhilai, where Mr. Pramod Soni, Manager Electrical department, AAI Raipur CG, an esteemed alumnus, shared his working experience during the challenging period of the Corona pandemic. The event aimed to provide valuable insights and inspiration to the current students and participants.

The event commenced with a speech by Dr. Dipali Soren, the Principal of CCET Bhilai. In her address, Dr. Soren expressed her gratitude to Mr. Pramod Soni for his willingness to share his experiences and shed light on navigating the professional landscape during such unprecedented times. He emphasized the importance of resilience, adaptability, and a positive mindset in overcoming challenges.

Mr. Pramod Soni, the alumni speaker, shared his journey and working experience during the Corona period. He discussed the various obstacles and changes he encountered in his professional life, highlighting the importance of flexibility and quick decision-making. Mr. Soni spoke about the importance of embracing technology and utilizing online platforms to ensure business continuity and effective communication. He shared insights on the strategies and measures implemented by his organization to adapt to the new normal. He emphasized the significance of employee well-being, mental health support, and maintaining a positive work culture during uncertain times. Mr. Soni also discussed the importance of upskilling and continuous learning to stay relevant in a rapidly changing professional environment.

The participants of the online event had the opportunity to interact with Mr. Pramod Soni, asking questions and seeking advice on various aspects of working during the pandemic. Mr. Soni provided valuable guidance and shared practical tips for managing remote work, maintaining work-life balance, and staying motivated during challenging times.

The event served as an inspiring platform for the students and participants to learn from the experiences of a successful alumnus who navigated the professional world during the Corona period. It provided them with valuable insights, guidance, and encouragement to face the challenges posed by the pandemic and excel in their future careers.

Report :

Christian College NSS unit conducted the event COVID 19 awareness campaign was conducted in online mode on Google Meet. The campaign was initiated on 22nd March 2021 with Prime Minister's appeal for 'JANTA CURFEW'.

The objective of the campaign was to educate and inform the community about the COVID-19 virus, its transmission, preventive measures, and the importance of vaccination. This report highlights the campaign's key activities, strategies, outcomes, and recommendations for future awareness initiatives. This campaign utilized social media platforms to reach a wider audience. Regular posts, videos, and live sessions were conducted to provide accurate information, debunk myths, and address common concerns related to COVID-19. The session was headed by Mr. Vijay Diwan, Senior Manager, Ultra Tech Cement, Ltd Gujrat.

The campaign successfully reached a significant portion of the target population, resulting in increased awareness about COVID-19, its symptoms, and preventive measures. This was evident through a rise in inquiries, social media engagement, and attendance.

The campaign influenced positive behavior changes, such as improved hand hygiene practices, increased mask usage, and adherence to physical distancing guidelines. Surveys conducted before and after the campaign indicated a noticeable shift in people's attitudes and actions toward mitigating the spread of COVID-19.

The campaign empowered the community by equipping them with accurate knowledge and resources to protect themselves and others. Community members actively participated in spreading awareness within their social circles, further amplifying the campaign's impact

Criterion 3

QnM 3.4.3 NSS Activities

Report :

The NSS unit of CCET Bhilai conducted a webinar on the topic “**All About Covid 19 Vaccine**” on 30 March 2021 at 11am. The main guest was **Dr. Sandeep Soren**, Medical Officer, Occupational Health Centre (OHC), Panagarh Plant, West Bengal. Mr. Ganpat Lal Rakesh welcomed the gathering. This session volunteers became aware about the discrimination faced by certain group of people in our society. Around 50 Students and Teachers participated in the meeting

The webinar successfully increased participants' knowledge and understanding of COVID-19 vaccines. Attendees gained insights into the vaccine development process, regulatory procedures, safety protocols, and the scientific basis behind vaccine efficacy.

Vaccine Confidence: The proclaimed aim of the programme was clearing the recurring misinformation about Covishield and Covaccine vaccines. The webinar played a crucial role in building vaccine confidence among participants. By providing accurate information and addressing concerns, attendees felt more assured about the safety and efficacy of COVID-19 vaccines, leading to increased acceptance and willingness to get vaccinated.

Participants were equipped with accurate knowledge, enabling them to counter false claims and make informed decisions about vaccination. Students from various departments asked their doubts regarding Vaccines, the side effects of vaccine etc.

Report :

Christian College NSS cell conducted a webinar based on NATIONAL EDUCATION POLICY. NSS volunteers participated actively in this webinar. The online session was lead by Mr. Anil Brahmin, Associate Professor, SSTC SSGI, Bhilai. The program was conducted by NSS coordinator Ganpat Lal Rakesh, CCET ,Bhilai on the topic “National education policy 2020 On August 10, 2021 at 11 am via google meet. This webinar gave more information to the volunteers about National Education Policy.

This report provides an overview of the "Webinar on National Education Policy" organized to discuss and disseminate information about the newly implemented National Education Policy (NEP). The webinar aimed to create awareness among stakeholders about the key principles, objectives, and implications of the NEP. This report highlights the key activities, strategies, outcomes, and recommendations for future webinars focusing on the National Education Policy.

The webinar successfully increased participants' awareness and understanding of the National Education Policy. Attendees gained insights into the policy's vision, goals, and strategies, enabling them to make informed decisions and contributions towards its implementation.

Attendees reported gaining clarity on the key provisions of the NEP and how they relate to their respective roles in the education ecosystem. The webinar helped participants understand the policy's focus on holistic development, flexibility, and skill enhancement.

Report :

Christian College NSS Cell conducted a webinar based on anemia. NSS volunteers and college students participated in this webinar. The online session was lead by Dr. R H Gajghat, Professor , Mechanical Department, CCET, Bhilai. The program was conducted by NSS coordinator Ganpat Lal Rakesh, CCET, Bhilai. The program was conducted on June 13, 2020 via google meet.

This report gives an overview of the "Yoga at Home and Yoga with Family" campaign, which aimed to promote the practice of yoga in the comfort of one's home and encourage families to engage in yoga together. The campaign focused on the physical, mental, and emotional benefits of yoga, with an emphasis on its positive impact on overall well-being. This report highlights the key activities, strategies, outcomes, and recommendations for future campaigns promoting home-based yoga and family involvement. The session was headed by Dr. R H Gajghat, Professor, Mechanical Department, CCET BHILAI.

The campaign conducted live and pre-recorded online yoga sessions led by experienced instructors. These sessions were accessible to participants of all ages and skill levels, providing guidance on various yoga poses, breathing techniques, and meditation practices. Participants could join from the comfort of their homes.

The campaign organized family-oriented yoga challenges, where families were encouraged to practice yoga together and share their experiences on social media. These challenges included simple yoga routines, partner poses, and interactive games that promoted bonding and created a fun and engaging atmosphere.

Social media platforms were used to share yoga tutorials, inspirational quotes, success stories, and tips for practicing yoga at home. Participants were encouraged to share their progress, post pictures or videos of their yoga sessions, and engage in discussions, fostering a sense of community and motivation.

Health Check Up Camp At Karanja , Bhilai

Criterion 3

QnM 3.4.3 NSS Activities

Report :

On February 3rd, 2019, the NSS Cell of CCET Bhilai organized a Health Check-Up Camp at Karanja in Bhilai, Chhattisgarh. The camp aimed to provide essential healthcare services and raise awareness about the importance of regular health check-ups among the local community. The event was held under the distinguished presence of Principal Dr. Dipali Soren and Dr. Archana Chowdhary, HOD, Computer Science, who delivered enlightening speeches on the significance of preventive healthcare measures.

The Health Check-Up Camp attracted a considerable number of participants from the Karanja locality. The camp offered a comprehensive range of medical services, including general health check-ups, basic diagnostics, and consultations with healthcare professionals. The participants had the opportunity to receive thorough examinations and obtain valuable insights into their overall health status.

During the event, Principal Dr. Dipali Soren delivered a speech highlighting the importance of being proactive in managing one's health. She emphasized the significance of regular health check-ups in identifying potential health issues at an early stage. Dr. Soren encouraged the participants to prioritize their well-being and adopt healthy lifestyle practices, such as proper nutrition, regular exercise, and stress management.

HOD Computer Science, Dr. Archana Chowdhary focused on the role of preventive care in reducing the burden of diseases. She emphasized the need for individuals to take responsibility for their health by actively seeking healthcare services and being proactive in disease prevention. Dr. Chowdhary stressed the significance of early detection and timely interventions in maintaining optimal health.

The Health Check-Up Camp at Karanja organized by the NSS Unit of CCET Bhilai, coordinated by NSS Coordinator Ganpat Lal Rakesh, proved to be a valuable initiative in promoting healthcare awareness and providing necessary medical services to the local community. The speeches by Principal Dr. Dipali Soren and HOD, Computer Science Dr. Archana Chowdhary effectively conveyed the importance of regular health check-ups and preventive care.

Health Check Up Camp At Kajanja , Bhilai

The NSS Unit of CCET Bhilai is commended for their efforts in organizing this camp and addressing the healthcare needs of the community. Such initiatives contribute to the overall well-being of individuals and encourage them to prioritize their health through regular check-ups and adopting healthy lifestyle practices.
